GETTING STARTED WITH GOOGLE BUILT-IN

With Google built-in compatibility, every drive is more seamless and personalized. Access your favorite apps directly on your center display.

Google Assistant

Get hands-free help to call or text friends, listen to music, set reminders, or even control the temperature. Just say “Hey, Google,” tap the Google Assistant icon or press the PUSH-TO-TALK button to get started.

Google Maps

Find the best way to get around with Google Maps. All the trip information you need — like live traffic updates or charging station locations — is seamlessly integrated for a smooth, confident driving experience.

Google Play

With Google Play, easily download some of your favorite apps, music, podcasts, audiobooks and more for an in-vehicle experience that’s easier to use than your phone.
