associated with the repair including mounting, balancing, valve stems, and taxes.

2. If a tire and/or wheel suffers Structural Damage and cannot be repaired, Administrator will reimburse You for (1) an approved replacement tire and/or wheel of like kind and quality, and which meets the manufacturer's specifications, including diameter measurement, at the average regional retail market rate and (2) the approved costs associated with the replacement including mounting, balancing, valve stems, environmental fees and taxes. **Replacement parts utilized in covered repairs will be OEM new or remanufactured parts, unless unavailable; in which case we may use parts of like kind and quality.**

4. We will reimburse You for towing costs necessitated by damage caused by a covered Road Hazard up to one hundred (\$100) dollars.

B. OPTIONAL TIRE & WHEEL PROTECTION PLUS COVERAGE

If You selected one of the Optional Tire & Wheel Protection Plus Coverage on the Registration Page, You are also entitled to the following:

1. Aluminum Alloy Wheels:

If an alloy or aluminum wheel suffers Cosmetic Damage that can be repaired by sanding, painting or refinishing the wheel without the need to (i) apply an additive material to the wheel or (ii) bend or straighten the wheel, We will authorize the repair of the Cosmetic Damage utilizing Our authorized wheel repair network. Administrator will determine the best repair process for the Cosmetic Damage. **The number of covered repairs for Cosmetic Damage to Aluminum or Alloy Wheels is limited to a total of eight (8) individual wheel repairs during the Agreement Term.**

2. Chrome, Machine Accent, or Milled Wheels:

If You selected and paid the surcharge for Chrome, Machine Accent or Milled Wheel coverage and the wheel suffers Cosmetic Damage, We will authorize the replacement of the Cosmetically Damaged wheel. **The number of covered replacements for Cosmetic Damage to Chrome, Machine Accent or Milled Wheels is limited to a total of four (4) individual wheel replacements during the Agreement Term.** Coverage is limited to the wheel that suffered Cosmetic Damage regardless of whether the replacement wheel matches the exact specifications of any other wheels that are on the Covered Vehicle.  - c. In the event that repair to a wheel under the Cosmetic Damage component of this Agreement requires the wheel to be painted, reasonable efforts will be made to match the original paint color. Replacement of a wheel will not be authorized solely because the paint used for a repair does not match the original paint color.
 - d. **Alloy wheels with chrome simulation, fiberglass wheels, carbon fiber wheels, magnesium wheels and steel wheels, are not covered by the Cosmetic Damage portion of this Agreement.**
4. **Companion Tires/Wheels Limitation:** Although the manufacturer of the Covered Vehicle may recommend that if a certain tire is replaced, then the tire on the opposite side of the same axle should also be replaced (this tire is referred to as the "Companion Tire") or a replacement wheel's color and/or design does not exactly match the other wheels on the Covered Vehicle (those wheels are referred to as the "Companion Wheels"), there is no coverage provided under this Agreement for the repair and/or replacement of a Companion Tire or Companion Wheel, unless it is Structurally Damaged or Cosmetically Damaged due to a covered Road Hazard.

If a tire and/or wheel is damaged by a Road Hazard during the term of this Agreement, You must bring the Covered Vehicle to Dealer for inspection and service.
