CHEVROLET PERFORMANCE eCRATE FAQs

INSTALLER

GETTING STARTED

Q. How do I become an Authorized Installer?

- a. Please visit chevrolet.com/performance-parts/ecrate for information on becoming an Authorized Installer and submit the required business information for consideration. If you qualify, GM will then contact you with more detailed information regarding required training and tools. The total number of available eCrate packages as part of our pilot program will be limited, making the total number of authorized shops limited as well.

Q. I'm an Authorized Installer. How do I buy the eCrate package?

- a. You can order the Chevrolet Performance eCrate kit part numbers from a local GM Dealership. The kit and battery will be shipped directly to your facility.
