CERTIFIED PRE-OWNED BENEFITS

THE CERTIFIED ADVANTAGE

Finding the perfect match that fits your style can be tough work. So it's a good thing Certified Pre-Owned makes buying a used vehicle simple. Every Certified Pre-Owned vehicle is backed by Chevrolet, Buick and GMC. And, every Certified Pre-Owned vehicle boasts a benefits package that helps you make your choice confidently — without settling. When you search for your Certified Pre-Owned vehicle, you can trust that every vehicle is an eligible candidate to be the right one.

BEFORE YOU BUY

All pre-owned vehicles must go through a strict evaluation and meet our standards to earn the Certified badge. Vehicles will qualify for the certification if they comply with the following requirements:

- Be a Chevrolet, Buick or GMC vehicle
- Be within 6 model years
- Be within a maximum of 75,000 miles
- Pass our 172-Point Vehicle Inspection and Reconditioning Process

IMPORTANT RECALL INFORMATION: Before a Certified Pre-Owned vehicle is listed or sold, GM requires dealers to complete all safety recalls. However, because even the best processes can break down, we encourage you to check the recall status of any vehicle at recalls.gm.com or www.SaferCar.gov.

- Have a clean title

Every CPO vehicle listed on gmcertified.com includes a free CARFAX® (or comparable) Vehicle History Report for assurance that you're getting the ride you want, inside and out.

AFTER YOU BUY

Our CPO benefits package is designed to offer peace of mind with your purchase and give you a hassle-free ownership experience. Altogether, these benefits are worth more than \$2,600¹. Ask your sales consultant for more details.
