Always known for pure driving exhilaration and beautiful design, Camaro has never been more focused. The critics have taken note. “Camaros are among the most sophisticated driver’s cars in the world,” says Car and Driver in its 10Best issue for 2018, the third straight year Camaro has made the list. Why follow when you can lead?
SOME DECISIONS IN LIFE ARE HARDER THAN OTHERS.

NEW LOOKS MAKE EVERY ONE A WINNER.

Engineers have always given every Camaro a unique driving personality. Now each Camaro model has a unique look, including distinct fascias as well as new chiseled taillamps. No matter which model you select, your view of performance cars will never be the same.
THE ESSENTIAL CAMARO. Each Camaro we build is an original, a true sports car in every respect. LS Coupe, the most affordable Camaro, is no exception, providing the looks, architecture, suspension, refinement and know-how that make people around the world stand up and take notice.

2.0L TURBO. LS Coupe is powered by a standard 275-horsepower 2.0L turbo. Its overall weight contributes to a desirable power-to-weight ratio, helping enable 0 to 60 mph in 5.4 seconds as well as excellent grip and steering response.

DESIGN ENHANCEMENTS. LS Coupe benefits from new body lines for 2019 that include front and rear fascias with LED headlamps and chiseled taillamps plus a bolder, more contoured hood. The toned exterior provides better aerodynamic efficiency.

Based on initial vehicle movement. Coupe models with 6-speed manual transmission. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher. Data plan rates apply.
ACCELERATE YOUR GAME.

LT CAMARO LT
275-HORSEPOWER 2.0L TURBO ENGINE
AVAILABLE 335-HORSEPOWER 3.6L V6 ENGINE
6-SPEED MANUAL TRANSMISSION
AVAILABLE 8-SPEED PADDLE-SHIFT AUTOMATIC TRANSMISSION
AVAILABLE RS PACKAGE
AVAILABLE 20-INCH WHEELS

Camaro 3LT Coupe in Garnet Red Tintcoat (extra-cost color) with available RS Package and other available features.
Camaro 3LT Coupe in Garnet Red Tintcoat (extra-cost color) with available RS Package and other available features.
**Camaro LT.** Consider the possibilities.

LT offers you a wide range of choices such as 20-inch wheels, heated and ventilated leather-appointed front seats, and even an available 3.6L V6 engine. If you want a navigation system, upgrade to 3LT, which includes a standard 3.6L V6 engine and other features.

**2019 Design Enhancements.** LT gets its own design language with a more toned, sculpted look that includes a new front fascia with LED headlamps, a more contoured hood and a new rear fascia with chiseled LED taillamps. You can also order a dual-mode performance exhaust system with twin outlets on each side.

**RS Package Adds Authority.**

Give your Camaro even more presence with the available RS Package. It includes 20-inch 5-split-spoke Gray-painted wheels, dark-lens LED taillamps, an RS-specific grille, a decklid-mounted spoiler and Black bowtie emblems.
THE FORECAST CALLS FOR BLUE SKIES AND INCREASING EUPHORIA.

CONVERTIBLE

DROP THE TOP. Some might say the ultimate sports car experience requires an open roof and a rush of fresh air. Camaro Convertible is available as an LT, SS or ZL1. For those days when you can’t have the top down, the Convertible offers the same beautiful top-up profile as the Coupe.

FULLY AUTOMATIC OPERATION. With the push of a single button, a fully automatic soft top disappears beneath the hard tonneau cover — even at speeds up to 30 mph. You can also remotely lower the top while parked by using the key fob.
**MAKE NO MISTAKE.** The Super Sport name evokes memories of 1967, the first year for Camaro. Beneath today’s new dome-shaped hood with air extractor, you’ll find a 455-horsepower 6.2L V8 engine. It propels you from 0 to 60 in 4.0 seconds' with the available 10-speed automatic transmission, and it can also save fuel by shutting down unneeded cylinders with available Active Fuel Management™.

**ALWAYS IN THE RIGHT GEAR.** The new available 10-speed paddle-shift automatic transmission helps maintain optimum rpm levels for maximum responsiveness on the road. Custom launch control keeps the rear tires spinning at the correct speed during launch and allows you to adjust both your launch rpm and wheel slippage through the Driver Information Center. A line lock feature lets you lock the front wheels to enable the rear wheels to spin, warming the tires for maximum grip on the drag strip.

**BREMBO BRAKES.** The high-performance 4-piston Brembo® brake system is capable of bringing Camaro SS Coupe from 60 mph to a complete stop in 117 feet.

---

1 Based on initial vehicle movement. Coupe models with available 10-speed automatic transmission.
ENHANCED COOLING. Keeping 455 horsepower on track is an enhanced, extra-capacity engine cooling system. Even the standard limited-slip differential gets a special cooler to maintain optimum operating temperature.

MAGNETIC RIDE CONTROL. Available Magnetic Ride Control™ stiffens the suspension for high-performance driving while helping to maintain a smooth ride.

DUAL-MODE EXHAUST. This available performance exhaust system lets you open up the valves for a richer, full-bodied exhaust note in Sport and Track driving modes (Track mode is exclusive to LT models with the available 1LE Track Performance Package, SS and ZL1).
1. **THE NEW FACE OF SS.** Camaro SS is distinguished by a bold new appearance dominated by a blacked-out grille and newly shaped LED headlamps with a light bar, turn signals and daytime running lamps.

2. **CHEVROLET FLOWTIE.** Helping SS inhale even more air is a Chevrolet bowtie emblem with the center removed, allowing air to pass through it. During early testing, the flowtie helped increase airflow by nearly 3 cubic meters per minute, helping reduce underhood temperatures.

3. **SS-EXCLUSIVE HOOD.** A beautiful yet functional air extractor is the centerpiece of the SS dome-shaped hood. It pulls underhood air from the motor compartment to help with cooling and aerodynamics.
650 HORSEPOWER. ZL1 is the reigning king of Camaro performance, thanks to its supercharged V8 engine, making it the most powerful production Camaro ever built. It also boasts a whopping 650 lb.-ft. of torque. Its foundation is the LT4 engine that helps enable a top track speed of 198 mph and a 0-to-60 mph time of 3.5 seconds.

MANAGING THE POWER. The robust ZL1 powertrain is controlled by standard equipment that includes Magnetic Ride Control dampers, an electronically controlled limited-slip differential, Brembo® brakes with 6-piston front calipers, and aerodynamic additions such as a platform wing and front and side splitters.

PUTTING THE POWER DOWN. On a closed-course drag strip, custom launch control keeps the rear tires spinning at the correct speed and allows you to adjust both your launch rpm and wheel slippage through the Driver Information Center. A line lock feature lets you lock the front wheels to enable the rear wheels to spin, warming the tires for maximum grip.

SHOCKS THAT READ THE ROAD. Magnetic Ride Control reads the road and changes damping in just 10-15 milliseconds in shocks filled with a magnetorheological fluid containing minute iron particles. An available Performance Traction Management system helps achieve faster transitions on the track.

“The ZL1 is a supercar that looks like a Camaro.”
— Car and Driver

1 Based on initial vehicle movement. Coupe models with available 10-speed paddle-shift automatic transmission.
THE POWER TO BLUR FANTASY AND REALITY.

Camaro ZL1 Coupe in Black with available features.
1. **SHAPED FOR SPEED.** Every surface of the ZL1 is designed for maximum downforce without compromising speed. Aerodynamic enhancements like a carbon-fiber hood air extractor, an air dam, and a wing-style rear spoiler help reduce lift and increase downforce to keep ZL1 glued to the track.

2. **INTEGRATED SUPERCHARGER.** The LT4 supercharger is integrated into the intake manifold and fuel rail system for incredibly precise operation.

3. **RECORD YOUR BEST LAPS.** The available Performance Data Recorder logs videos of your drives, along with real-time performance data, onto an SD memory card so you can analyze your driving technique.

4. **RECARO® PERFORMANCE SEATS.** These bolstered front seats are ideal for high-g track driving and feature Jet Black leather appointments, Red accents and sued microfiber inserts.
1LE TRACK PERFORMANCE PACKAGES

THE ULTIMATE TRACK PACKAGE.
It started as an option package to make third-generation Camaro race cars more competitive in showroom stock classes. Since then, 1LE has developed into a comprehensive track performance package that’s available on LT, SS and ZL1. You’ll recognize 1LE by its distinct Black hood and special spoilers.

TURBO 1LE. A 1LE Track Performance Package is now available on LT with the 2.0L turbo engine, providing advantages for drivers who crave lower mass and better weight distribution. The package includes FE3 suspension components, heavy-duty cooling, Brembo® 4-piston brake calipers, 20-inch Black forged-aluminum wheels and summer-only tires! There’s also a unique 3-piece spoiler, an enhanced fuel system for higher cornering loads, a Driver Mode Selector that includes Track Mode, and available RECARO® performance seats.

V6 1LE. If you seek more horsepower in the form of a 335-horsepower V6 engine, the V6 1LE is for you. It includes all the basics of the Turbo 1LE plus a dual-mode exhaust. With its aggressive suspension tuning, V6 1LE delivers an estimated 0.97 g in cornering grip for consistent lap times on the track.

SS 1LE. V8 engine fans will favor the 455-horsepower SS 1LE. The FE4 chassis system includes Magnetic Ride Control dampers, plus special springs and stabilizer bars. With an Electronic Limited-Slip Differential, Brembo 6-piston front brake calipers and Goodyear Eagle® F1 SuperCar® summer-only tires, it exceeds 1 g on the skid pad.

ZL1 1LE. The most extreme production Camaro ever, ZL1 1LE is designed for track day setups with the ability to readjust for the ride home. Besides its LT4 supercharged V8 engine, ZL1 1LE includes adjustable front camber and ride height of the Multimatic DSSV™ dampers, as well as an adjustable rear stabilizer bar and a fixed carbon-fiber rear wing. Dive planes on the edges of the front fascia help maintain traction and turn-in.

Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle’s performance characteristics. For important tire and wheel information, go to my.chevrolet.com/learnAbout/chevrolettires or see your dealer.

Left to right: Camaro SS Coupe in Satin Steel Gray Metallic, Camaro 3LT Coupe in Red Hot and Camaro ZL1 Coupe in Summit White. All vehicles shown with available 1LE Track Performance Packages and other features.
PRECISE COMFORT IN EVERY DETAIL.
Everything comes together seamlessly to provide a better connection with the road. The Camaro cockpit includes premium materials throughout. Drivers will appreciate the flat-bottom steering wheel and perfectly placed gear shifter and dead pedal as well as aggressively bolstered seats. Leather-trimmed seating surfaces and heated and ventilated front seats are also available. Console air vent trim rings offer simple, space-efficient dials for temperature control. There’s also a convenient bank of heat and air conditioning controls located just above the shifter.

RECARO® PERFORMANCE SEATS.
If you seek a more deeply contoured sport seat, available RECARO performance seats offer sueded microfiber inserts as well as Jet Black leather appointments and Red accents.
EXPAND YOUR CONNECTIVITY. Camaro performance gets a new dimension with a next-generation Chevrolet Infotainment 3 System! This features an available 8-inch diagonal high-definition color touch-screen on select models. The new system provides Bluetooth® capability for two users as well as the ability to create multiple user profiles.

Apple CarPlay COMPATIBILITY. With Apple CarPlay®, you can simply and smartly connect with some of your most used iPhone® features, including Maps, Music, Messages and Phone, right on your touch-screen display.

EASY ANDROID CONNECTION. With Android Auto™ compatibility, you can interact with select smartphone apps. This system takes some of your compatible Android™ phone's features and lets you access them on the touch-screen display. You can access your phone, text messages, music, navigation and more.

BOSE PREMIUM SOUND. A Bose premium 9-speaker system for Coupe (7-speaker system for Convertible) is standard on 3LT, 2SS and ZL1, and is available on 1LT and 2LT.

---

1 Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone and USB connectivity for some devices. 2 Visit mychevrolet.com for vehicle and smartphone compatibility. 3 Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. 4 Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher. Data plan rates apply.

Apple CarPlay and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries. Android, Android Auto, Google, Google Play and other marks are trademarks of Google LLC.
1. **CONFIGURABLE DRIVER INFORMATION CENTER.** An available 8-inch diagonal configurable gauge cluster allows you to monitor information such as lap time, g-force cornering, fuel usage/range, tire pressure and operating temperature.

2. **COLOR HEAD-UP DISPLAY.** Standard on 2SS and ZL1 and available on 3LT, the Head-Up Display projects vehicle speed, rpm, fuel level and other information onto the windshield so you can keep your eyes on the road.

3. **INTERIOR SPECTRUM LIGHTING.** Standard on 2SS and ZL1 and available on 3LT, this system provides a band of light that courses around the radio, door trim and cup holders, transitioning between 24 selectable colors.

4. **A WIDE VIEW BEHIND YOU.** Standard on 2SS and ZL1\(^1\) is a Rear Camera Mirror\(^2\) that provides a less obstructed view of the area behind your Camaro. When turned on, the mirror provides the driver a wide view without the obstruction of head restraints, C-pillars and rear-seat passengers or cargo.

---

\(^1\) Not available on models with 1LE Track Performance Packages. \(^2\) Safety or driver assistance features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner’s Manual for more important feature limitations and information. \(^3\) Not available with Performance Data Recorder or on Convertible models.
WE’RE SERIOUS ABOUT SAFETY.

AVAILABLE CAMARO SAFETY FEATURES.
Standard on 2SS and ZL1 and available on 3LT, Forward Collision Alert, Rear Cross Traffic Alert, Lane Change Alert with Side Blind Zone Alert and Rear Park Assist are all designed to alert the driver.
SHIFT GEARS ON YOUR TERMS.

10-SPEED PADDLE-SHIFT AUTOMATIC.
Camaro SS now offers a 10-speed paddle-shift automatic transmission. Similar to the version available on ZL1, it delivers nearly instantaneous shifts.

CUSTOM LAUNCH CONTROL.
This technology, included with the available 10-speed automatic, allows you to adjust both the launch rpm and rear wheel slippage through the Driver Information Center (with a new brake pressure bar graphic to assist in operation). On a closed-course drag strip, line lock lets you lock the front wheels to enable the rear tires to heat up by spinning against the pavement for maximum grip during a run.

AVAILABLE 8-SPEED PADDLE-SHIFT AUTOMATIC TRANSMISSION.
This transmission is available on LS and LT and includes Active Fuel Management on V6 models.

STANDARD 6-SPEED MANUAL.
Experience the joy of manual shifting on the open road. SS and ZL1 also include Active Rev Matching, which anticipates downshifts with throttle blips for smooth, precise shifting. The shift knob is wrapped with dimpled leather or sueded microfiber on ZL1 and SS 1LE for an ideal grip.
MULTILINK FRONT SUSPENSION. Featuring aluminum components and MacPherson struts, this suspension is engineered for precision at every turn.

BREMBO® 4-WHEEL DISC BRAKES. Track-tested 4-piston front and rear calipers are standard on SS. ZL1 has 6-piston front and 4-piston rear calipers.

HEAVY-DUTY COOLING AND BRAKE PACKAGE. Make your Camaro more robust with this available package that includes an external engine oil cooler, an extra-capacity cooling system, and 4-piston Brembo performance front brake calipers on LS and LT. Models equipped with the 2.0L turbo engine get an auxiliary engine cooler.

PRECISE ELECTRIC POWER STEERING. Elevate road feel and response with Electric Power Steering. You can select up to four drive modes. Quick steering ratios contribute to a nimble, controlled feeling with every turn of the wheel.

INDEPENDENT REAR SUSPENSION. Tuned specifically for each Camaro model, the independent rear suspension provides a refined ride and responsive driving dynamics.

MAGNETIC RIDE CONTROL. Standard on ZL1 and available on SS, this system reads the road every millisecond. It then changes damping in just 10 to 15 milliseconds in shocks filled with magnetorheological fluid containing minute iron particles.

ELECTRONIC LIMITED-SLIP DIFFERENTIAL. Available on SS Coupe and standard on ZL1 Coupe, the Electronic Limited-Slip Differential continuously modulates torque split to improve traction and acceleration out of corners, enhancing stability and turn-in responsiveness. A mechanical limited-slip differential is standard on LS, LT and SS.

DUAL-MODE EXHAUST. Standard on ZL1 and available on SS and LT with the available 3.6L V6 engine, the dual-mode exhaust provides a more aggressive exhaust note in Sport and Track modes (Track mode is exclusive to LT models with the available 1LE Track Performance Package, SS and ZL1).
SPECIAL FEATURES

20" 5-Split-Spoke Satin Black Wheel available from Chevrolet Accessories.

Black Lower Grille with Red Hot-Painted Inserts available from Chevrolet Accessories.

1 Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle’s performance characteristics. For important tire and wheel information, go to my.chevrolet.com/learnAbout/chevrolettires or see your dealer. 2 Driving on wet roads, in heavy rain, or through standing water with competition-oriented tires may cause hydroplaning and loss of control. Use extreme caution and drive slowly on wet roads.
## SELECT VEHICLE FEATURES

### CAMARO LS COUPE

- 2.0L 275-hp turbocharged 4-cylinder engine with Direct Injection and Variable Valve Timing
- 6-speed manual transmission
- Dual-outlet stainless steel exhaust with bright tips
- Driver Mode Selector with 3 modes: Snow/Ice, Tour and Sport
- 1 month of OnStar Safety & Security coverage, which includes Automatic Crash Response, Emergency Services, Stolen Vehicle Assistance, Roadside Assistance, and Turn-by-Turn Navigation
- StabiliTrak Electronic Stability Control System with Traction Control
- LED daytime running lamps
- Teen Driver technology
- Rear vision camera
- 18" x 8.5" 5-split-spoke Silver-painted aluminum wheels
- Keyless Open and Start
- Chevrolet Infotainment 3 System with 7-inch diagonal color touch-screen display, featuring Android Auto and Apple CarPlay compatibility
- Auxiliary input jack and 2 USB ports
- Bluetooth wireless technology for select phones
- Driver Information Center with color display
- Leather-wrapped flat-bottom steering wheel with steering wheel-mounted controls for audio and cruise
- Front sport buckets with 8-way power driver-seat adjuster and 4-way passenger-seat adjuster with power recline
- Single-zone air conditioning
- Front reading lamps and interior dome lamp with illuminated entry
- Power windows and programmable power door locks
- Chevrolet Connected Access with 10 years of standard connectivity, which currently includes Vehicle Diagnostics and Dealer Maintenance Notification

### CAMARO 1LT

- In addition to or replacing LS Coupe features, 1LT includes:
  - 18" x 8.5" 5-split-spoke Silver-painted aluminum wheels
  - SiriusXM Radio All Access Package with 12-month trial subscription
  - 6-way power passenger-seat adjuster

### CAMARO 2LT

- In addition to or replacing 1LT features, 2LT includes:
  - Dual-zone automatic climate control with individual climate settings for driver and front passenger, dedicated passenger controls and outside temperature display
  - Heated and ventilated leather-trimmed seats for driver and front passenger

### CAMARO 3LT

- In addition to or replacing 2LT features, 3LT includes:
  - 3.6L 335-hp V6 engine with Direct Injection and Variable Valve Timing
  - Chevrolet Infotainment 3 Premium System with Navigation and 8-inch diagonal HD color touch-screen display, featuring connected navigation and cloud-connected personalization for select infotainment and vehicle settings
  - Bose premium 9-speaker (Coupe) or 7-speaker (Convertible) audio system
  - Frameless, auto-dimming inside rearview mirror

### CAMARO 1SS

- In addition to or replacing 1LT features, 1SS includes:
  - 6.2L 455-hp V8 engine with Direct Injection and Variable Valve Timing
  - Limited-slip rear differential
  - Brembo performance 4-wheel disc brakes with ABS, 4-piston front and rear
  - LED headlamps with LED signature and automatic exterior lamp control and LED daytime running lamps
  - 20" 5-spoke Bright Silver-painted aluminum wheels (20" x 8.5" front, 20" x 9.5" rear)
  - Enhanced Driver Information Center with 8-inch diagonal reconfigurable color display
  - Driver Mode Selector with 4 modes: Snow/Ice, Tour, Sport and Track
  - Chevrolet Infotainment 3 Plus System with 8-inch diagonal HD color touch-screen display, featuring cloud-connected personalization for select infotainment and vehicle settings

### CAMARO 2SS

- In addition to or replacing 1SS features, 2SS includes:
  - Forward Collision Alert, Rear Park Assist, Rear Cross Traffic Alert and Lane Change Alert with Side Blind Zone Alert
  - Rear Camera Mirror
  - Head-Up Display with color digital readouts for vehicle speed, selected gear, g force, audio system information, high beam indicator, compass, outside air temperature, turn signals, tachometer, vehicle messages, turn-by-turn navigation information and phone information
  - Bose premium 9-speaker (Coupe) or 7-speaker (Convertible) audio system
  - Interior spectrum lighting with 24 different color selections
  - Memory Package: 2-position memory for 8-way power driver seat and outside mirrors
  - Dual-zone automatic climate control with individual climate settings for driver and front passenger, dedicated passenger controls and outside temperature display
  - Heated and ventilated leather-trimmed seats for driver and front passenger
  - Heated steering wheel
  - Aluminum accents on door trim and shifter cap
  - Illuminated doorsill plates

### CAMARO ZL1

- In addition to or replacing 2SS features, ZL1 includes:
  - 6.2L 650-hp supercharged V8 engine with Direct Injection and Variable Valve Timing
  - Launch control
  - Electronic Limited-Slip Differential (Coupe only)
  - Magnetic Ride Control suspension
  - Dual-mode performance exhaust system
  - Brembo performance 4-wheel disc brakes with ABS, 6-piston front and 4-piston rear
  - 20" 10-split-spoke Dark Graphite-painted forged-aluminum wheels (20" x 10" front, 20" x 11" rear)
  - RECARO performance seats with Jet Black leather appointments and Red accents and suede microfiber inserts
  - Suede microfiber-wrapped steering wheel and shifter
  - Sport alloy pedals
  - Wireless charging

---

1. OnStar plan, working electrical system, cell reception and GPS signal required. OnStar links to emergency services. Roadside services provided by Allstate Roadside Services for vehicles only. Limitations and restrictions apply. Stolen Vehicle Assistance requires armed GM factory-installed theft-deterrent system, contact method on file and enrollment to receive alerts. Additional messaging and data rates may apply. Services are intended to assist with vehicle recovery and do not prevent theft or protect against damage or loss. Visit onstar.com for details and limitations.
2. Advisor-based Turn-by-Turn Navigation is subject to User Terms and limitations, and varies by vehicle model. Map coverage available in the United States, Puerto Rico and Canada.
4. Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher. Data plan rates apply.
5. Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher.
6. Standard connectivity available only to original purchaser for 10 years. Connected Access services are subject to change. Does not include emergency or security services. Diagnostic capabilities vary by model and service plan. Message and data rates may apply. Requires contact method on file and enrollment to receive alerts. Not all issues will deliver alerts. Visit onstar.com for details and limitations.
7. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-888-335-2349. See SiriusXM Customer Agreement for complete terms at siriusxm.com. All fees and programming subject to change.
8. The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adaptor or back cover. To check for phone or other device compatibility, visit my.chevrolet.com/learn for details.

OWNERSHIP EXTRAS

NEW VEHICLE LIMITED WARRANTY

3-YEAR/36,000-MILE BUMPER-TO-BUMPER LIMITED WARRANTY
Chevrolet will warrant each 2019 Camaro from bumper to bumper for 3 years/36,000 miles (whichever comes first; see dealer for details), with no deductible, from the original in-service date of the vehicle, for warrantable repairs that are required as a result of defects due to materials and/or workmanship. Cosmetic corrosion resulting from defects is also covered under the Bumper-to-Bumper Limited Warranty. In addition, rust-through corrosion will be covered for 6 years/100,000 miles (whichever comes first). See dealer for details.

5-YEAR/60,000-MILE TRANSFERABLE POWERTRAIN LIMITED WARRANTY
Every 2019 Camaro comes with a 5-year/60,000-mile (whichever comes first) transferable Powertrain Limited Warranty. 24/7 Roadside Assistance and Courtesy Transportation are also offered for the duration of the Powertrain Limited Warranty. Please see your Chevrolet dealer for details.
IMPORTANT INFORMATION

CHEVROLET CONNECTED SERVICES AND ONSTAR Effective May 1, 2018, available Chevrolet Connected Services have changed significantly. While many of the offered services are the same, available plans and pricing are different. Connected vehicle services require a paid connected vehicle services plan or trial and connected hardware, vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Visit onstar.com for coverage map, details and system limitations.

CHEVROLET OWNER CENTER (MY.CHEVROLET.COM) Everything you need to know. Anything you need to do. Your Chevrolet Owner Center makes it easy. Create your account today to get the most out of your new vehicle. Get special alerts and offers, schedule service, review your maintenance schedule, and view how-to videos specifically for your vehicle. All online, anytime. Visit the Owner Center today to register or take a tour.

ENGINES Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

A NOTE ON CHILD SAFETY Always use seat belts and the correct child restraint for your child’s age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner’s Manual and the child safety seat instructions for more safety information.

IMPORTANT WORDS ABOUT THIS CATALOG We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details.

Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Sports Car segment and latest available competitive information. Excludes other GM vehicles.

TIRES Camaro SS and ZL1 models, as well as models with available 1LE Track Performance Package, come equipped with summer-only tires* that tend to wear faster and are more susceptible to damage from road hazards or curb impact than standard profile tires. This type of damage is not covered by the GM New Vehicle Limited Warranty. See your dealer for proper tire selection.

SPARE TIRE INFORMATION There is no standard jack or spare tire in the 2019 Chevrolet Camaro. Some vehicles have a tire sealant and compressor kit that uses a liquid tire sealant to temporarily seal up to a one-quarter-inch puncture in the tread area of the tire. After using the tire inflator kit, it is recommended that you take the tire to an authorized retailer for inspection and repair as soon as possible, but at least within 100 miles of driving. The tire sealant cannot seal and inflate sidewall damage, punctures larger than one-quarter inch, or a tire that has unseated from the wheel. The sealant can only be used on one tire and for one time before its expiration date.

CHEVROLET OWNERSHIP EXPERIENCE Chevrolet is committed to enhancing the vehicle shopping and ownership experience through a wide array of programs. Visit chevrolet.com to build and price, find a vehicle, request a quote, compare vehicle shopping and ownership experience through a wide array of programs. All online, anytime.
