IT’S EVERYTHING FOR EVERYONE.

Reimagined everywhere that matters, the most versatile and advanced Suburban ever fits perfectly in your world. The longest-selling full-size SUV is more spacious, with increased second- and third-row leg room and up to 144.7 cu. ft. of maximum cargo volume. It’s forward-thinking, with available features like an innovative Rear-Seat Media System and a Power Sliding Center Console. And it’s capable in the real world, with an available Four-Corner Air Ride Adaptive Suspension and three available powertrains. Add in a combination of more than 25 standard and available safety features and driver assistance technologies; plus the type of interior luxury only the All-New Suburban can deliver, and you’ll see it isn’t just bigger. It’s life-sized.

FIND NEW ROADS™

1 With second- and third-row seats folded flat. Cargo and load capacity limited by weight and distribution. 2 Read the vehicle Owner’s Manual for important feature limitations and information.
LS
You’ll be surprised by everything that’s in LS.

A sculpted exterior is highlighted by chrome trim accents and 18-inch bright Silver-painted aluminum wheels. The legendary 5.3L EcoTec3 V8 engine propels LS, whether you choose 2WD or 4WD.

Inside, a leather-wrapped steering wheel and 10-way power seat greet the driver, and all passengers enjoy plenty of room to stretch out, along with amenities such as a 10.2-inch diagonal HD color touch-screen that delivers information and entertainment.

LT
Comfort and convenience are LT hallmarks.

Leather seating surfaces are standard for the driver and front passenger, who also experience the customization of 10-way power seat adjustment and the warmth of heated cushions and seatbacks.

LT upgrades include a hands-free programmable power liftgate with Chevrolet emblem projection, wireless charging; a 9-speaker Bose stereo system, an auto-dimming inside rearview mirror and a Universal Home Remote.

† The system wirelessly charges one compatible mobile device. Some phones have built-in wireless charging technology and others require a special adaptor/cover. To check for phone or other device compatibility, see my.chevrolet.com/learn or consult your carrier.
RST
There’s always one family member that demands the most attention.

RST takes that role, with a unique Black sport grille, Black Ice chrome exterior trim and Black Chevrolet bowtie emblems. Adding to the appearance are high-gloss Black 22-inch bright machined-aluminum wheels.

The interior also leaves a lasting impression, with RST-specific Jet Black leather seating surfaces highlighted with Victory Red stitching.

1 Leather seating surfaces in front and second rows; third row is vinyl-covered.
Z71
Leave the world behind. Take everything with you.

Paved roads are an afterthought with standard 4WD and a high approach angle front fascia that help optimize off-road capability, plus an available Four-Corner Air Ride Adaptive Suspension. A front skid plate helps protect the underside on the trails, and a heavy-duty air filter helps keep the engine running smoothly. Tubular assist steps, 20-inch machined-aluminum wheels with all-terrain tires and Red recovery hooks\(^1\) are just a few of the features you'll find only on Z71.

PREMIER
We've proved “too much of a good thing” is a myth.

From 20-inch polished-finish aluminum wheels to full-feature power-folding outside mirrors, enhancements are everywhere. A smooth ride is a near certainty with Magnetic Ride Control™ suspension, and you'll enjoy the confidence of numerous advanced safety features.

Inside, heated and ventilated front bucket seats with perforated leather seating surfaces\(^2\) await, along with power-release heated second-row bucket seats and a power-folding third row. There's also a Bose Centerpoint Surround Sound 10-speaker system.

\(^1\) To avoid the risk of injury, never use recovery hooks to tow a vehicle. See the Owner's Manual for more information.  
\(^2\) Leather seating surfaces in front and second rows; third row is vinyl-covered.
HIGH COUNTRY
When you think you’ve reached the top, keep climbing.

High Country starts with the lofty standards set by Premier, and then keeps heading to the mountain peak. Take the standard 6.2L EcoTec3 V8 engine, the exclusive grille with Galvano finish and Godric accents, and the 22-inch Sterling Silver-painted wheels with chrome inserts as just a few examples.

Adding Rear Pedestrian Alert¹ and HD Surround Vision¹ takes Suburban High Country to new heights, as do the standard 15-inch diagonal multi-color Head-Up Display and Rear Camera Mirror¹ with full camera display.

¹ Read the vehicle Owner’s Manual for important feature limitations and information.
Through the use of varied seating materials, colors, stitching, door inserts and more, each Suburban is distinct, providing a different interior experience depending on the trim you select.

Everything is intelligently designed and logically placed, including the easy-to-navigate 10.2-inch diagonal HD color touch-screen and new premium Electronic Precision Shift Transmission located on the instrument panel.

Luxury begins with the leather-wrapped steering wheel. Perforated leather seating surfaces in the front and second row and heated front seats are added to LT and above.

Premier and High Country elevate your experience with the addition of ventilated front seats for comfort in any climate, as well as a heated steering wheel and heated second-row outboard seats.

Auto Temp, standard on Premier and High Country, automatically activates the heated or ventilated seats to the level required by the vehicle’s interior temperature setting. It will even begin warming your heated steering wheel.

Front-seat passengers will have intelligent storage solutions at their disposal, including a cubby next to the touch-screen display that’s perfect for sunglasses, a mobile device or other small items.
INTERIOR CAPABILITY

Suburban is designed to let the light shine in. With an available new panoramic power sunroof, lower beltlines and optimized mirror designs, you can enjoy open spaces, even when you’re inside.

Manual second-row seats can slide back and forth up to 5.5 inches, so you can maximize leg room or rear cargo room. They also make it easier to secure child restraints.

Compared to the previous generation, the 2021 Suburban offers over 2 inches more second- and third-row leg room and greater cargo volume behind the third row.

Second- and third-row passengers will find accessible storage spaces, convenient cup holders and multiple USB ports. Also included are two 110-volt household-type power outlets.

† Not compatible with all devices.
INTERIOR CAPABILITY

Optimized third-row seating position provides excellent sight lines.

Easy access with fold-and-tumble second-row seats.

Third-row passengers will enjoy plenty of leg room.
CARGO MANAGEMENT

OPEN UP A WORLD OF POSSIBILITIES.

With a cavernous **144.7 cu. ft. of maximum cargo space**\(^1\), there’s no telling just how much adventure you can pack in. There’s even **41.5 cu. ft.** of space behind the third row.\(^2\)

You can easily switch from passenger space to cargo space and back again with **power-release second-row seats and power-folding third-row seats**. Standard on Premier and High Country; available on LT, RST and Z71.

Large rear door openings combine with fold-and-tumble second-row seats to provide **easier entry and exit for third-row passengers**. The second row folds flat and close to the floor for enhanced usability and cargo space.

When you push and hold the button, the available **Power Sliding Center Console** slides rearward up to 10 inches, offering an expansive storage area, as well as a hidden storage drawer that can be secured when Valet mode is selected.

---

\(^1\) With second- and third-row seats folded flat.  \(^2\) Cargo and load capacity limited by weight and distribution.
Seating for seven (shown), eight or even up to nine passengers on LS.

Easily configurable for passengers, cargo or both.

Suburban offers 144.7 cu. ft. of maximum cargo volume.

1 With second- and third-row seats folded flat. Cargo and load capacity limited by weight and distribution.
PERFORMANCE

The GM-exclusive 3 available Duramax® 3.0L Turbo-Diesel I-6 offers 277 horsepower and 460 lb.-ft. of torque. The 5.3L EcoTec3 V8 provides 355 horsepower and 383 lb.-ft. of torque. A 10-speed automatic transmission with Electronic Precision Shift is standard.

Dynamic Fuel Management is included on both the 5.3L and 6.2L EcoTec3 gas engines. A sophisticated control system continuously monitors every movement of the accelerator pedal and calculates exactly how much torque is needed to handle the current driving condition. Nearly instantaneously, the system activates or deactivates cylinders in an industry-first 17 different patterns to help maximize efficiency and create the power needed.

WE PUT POWER AT A PREMIUM.

¹ Requires 2WD. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner’s Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. ² Requires available Max Trailering Package. ³ Excludes other GM vehicles.
RIDE COMFORT

Suburban has an exceptionally advanced suspension, including an available Four-Corner Air Ride Adaptive Suspension. It utilizes four variable-rate air springs to optimize ride height and comfort.

In addition, this suspension provides selectable and automated ride height options to improve ground clearance, ease passenger entry/exit and optimize aerodynamic performance. Available on Z71 and High Country.

The independent multilink rear suspension allows each rear wheel to handle road conditions separately to dramatically improve ride quality and steering responsiveness.

The Driver Mode Selector allows you to choose different drive modes that alter the transmission shifts, throttle and traction systems to better handle varying road conditions. System functionality varies by model.

RULE EVERY ROAD.
EVEN THE OFF-ROAD.

Suburban Z71 in Satin Steel Metallic with available features.
Choose Off-Road, available on 4WD models, via the Driver Mode Selector and the available Four-Corner Air Ride Adaptive Suspension will automatically raise the vehicle to improve ground clearance.1

Select ride height for the available Four-Corner Air Ride Adaptive Suspension on the 8-inch diagonal enhanced Driver Information Center.

The independent rear suspension can be paired with available Magnetic Ride Control2 and Four-Corner Air Ride Adaptive Suspension.

1 Requires available 4WD. 2 Standard on Premier and High Country; available on Z71.
TECHNICAL ADVANCED.

• The Chevrolet Infotainment 3 system\(^1\) is intuitive and easy to use, with a 10.2-inch diagonal HD color touch-screen display.

• Wireless Apple CarPlay\(^2\) and wireless Android Auto\(^3\) compatibility.

• Wireless charging\(^4\) and up to eight USB ports\(^5\) including both Type-A and Type-C.

• Available 4G LTE Wi-Fi\(^6\) provides a fast and reliable connection for up to seven devices.

• With available Alexa Built-in\(^7\), you can use voice commands to stream your favorite music, get directions, make calls, change your radio station and more — on the go.

---

\(^1\) Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. \(^2\) Vehicle user interface is a product of Apple and its terms and privacy statements apply. TAKE A LOOK AROUND.

The 2021 Suburban offers up to nine available camera views to help make it easier to pull into tight spaces, back into a garage or hitch a trailer — all while providing confidence when you drive.

Views enabled by these cameras are easily accessed by selecting the Camera App on the touch-screen display. Conveniently, certain views can be launched through the Advanced Trailering System.

Safety starts with you. Safety or driver assistance features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner’s Manual for more important feature limitations and information.

CAMERA TECHNOLOGIES

Surround View  Gives a top-down bird’s-eye view of the vehicle’s surroundings.

Rear Camera Mirror  An available dual-function camera-based rearview mirror provides a wider, less-obstructed field of view than a traditional rearview mirror.

Front Camera View  Displays a front view with available guidelines to assist with parking and tight maneuvers.
**CAMERA TECHNOLOGIES**

**Rear Camera View** Displays a rear view to assist with parking and tight maneuvers.

**Front Side View** Shows the position of the front tires when parking and during tight maneuvers.

**Front Top-Down View** A top-down view of the hood, bumper and front tires for tight maneuvers in parking lots or along curbs.

**Rear Side View** Provides a line of sight down each side of the vehicle.

**Rear Top-Down View** Shows the clearance between the rear of the vehicle and nearby objects.

**Hitch View** Provides a close-up view of the receiver hitch to help with alignment when connecting to a trailer.
**SAFETY AND DRIVER ASSISTANCE**

**Adaptive Cruise Control.** While you steer, this feature can automatically maintain a driver-selected gap time from the detected vehicle you’re following. Available on Premier and High Country.

**Front Pedestrian Braking.** At speeds below 50 mph, this feature can help you avoid or reduce the severity of a front-end collision with a pedestrian it detects directly in front of you. It provides pedestrian alerts and can even automatically provide hard emergency braking or enhance the driver’s hard braking. Limited nighttime and low-visibility performance. Standard on all models.

**Automatic Emergency Braking.** At speeds below 50 mph, this feature works with Forward Collision Alert to help you avoid or reduce the severity of a front-end collision with a detected vehicle you’re following by automatically providing hard emergency braking or enhancing the driver’s hard braking. Standard on all models.

**Enhanced Automatic Emergency Braking.** This feature works with Forward Collision Alert to help you avoid or reduce the severity of a front-end collision with a detected vehicle you’re following by automatically providing hard emergency braking or enhancing the driver’s hard braking. Available on Premier and High Country.

**Lane Keep Assist with Lane Departure Warning.** Uses a brief, gentle steering wheel turn to alert you when you may be unintentionally drifting out of detected lane lines, so you can steer to stay safely in your lane. If needed, you may receive additional Lane Departure Warning alerts. System alerts do not occur if you are using your turn signal or it detects that you may be intentionally leaving your lane. Standard on Premier and High Country; available on all other models.

**Lane Change Alert with Side Blind Zone Alert.** This feature can provide side mirror visual alerts when a detected moving vehicle is quickly approaching or is in your side blind zone. Standard on Premier and High Country; available on all other models.

**Rear Pedestrian Alert.** Rear Pedestrian Alert can help alert you to detected pedestrians directly behind your vehicle so you can quickly take action. The system works when you’re in Reverse during the daytime. It has limited nighttime and low-visibility performance. Standard on High Country; available on LT, RST, Z71 and Premier.

**Forward Collision Alert.** Can warn you if it detects a potential front-end collision with a vehicle you’re following. It can also provide a tailgating alert if you’re following much too closely. Standard on all models.

**Following Distance Indicator.** This feature can display the gap time in seconds between your vehicle and a detected vehicle. Standard on all models.

**HD Rear Vision Camera.** This standard feature provides an image of the area directly behind your vehicle when traveling in Reverse at low speeds.

**Rear Cross Traffic Alert.** This feature can warn you of detected left or right cross traffic behind your Tahoe when in Reverse. Standard on Premier and High Country; available on all other models.

**Rear Camera Mirror.** Rear Camera Mirror uses a camera to provide you with a wide and less obstructed view behind the vehicle while you’re driving. You can switch between the camera view and a traditional rearview mirror. Standard on High Country; available on Premier.

**Front and Rear Park Assist.** Front and Rear Park Assist can provide distance alerts to nearby detected objects in front of or behind your vehicle to help you park and avoid collisions at low speeds. Standard on Premier and High Country; available on all other models.

**IntelliBeam.** Can automatically turn the vehicle’s high beam headlamps on and off according to surrounding traffic conditions. Standard on all models.
Safety starts with you. Safety or driver assistance features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner’s Manual for more important feature limitations and information.
ENJOY EVERY JOURNEY.
AND EVERY DESTINATION.
Are you a legend? When you’ve been building an iconic SUV like Suburban for over 85 years like we have, something you learn is there’s a story behind every one. And we want to hear yours. Chevy Truck Legends honors our dependable, long-lasting trucks and the people who keep them going strong. If you own an eligible Chevy truck and have purchased or leased more than one new Chevy truck in your lifetime or have driven one over 100,000 miles, you’re a legend. At chevytrucklegends.com, discover the benefits that come with membership. Explore the galleries and read about the relationship owners have with their Chevy trucks.

1 Chevrolet Accessories are dealer-installed and covered by the GM 3-year/36,000-mile (whichever comes first) New Vehicle Limited Warranty when ordered with your new Suburban. See your dealer for details.

## STANDARD EQUIPMENT

**MECHANICAL**
- Air filter – with air filtration monitoring
- Brakes – 4-wheel antilock, 4-wheel disc with Duralife® rotors; electronic parking brake
- Cooling – external engine and transmission oil coolers
- Differential – mechanical limited-slip
- Driver Mode Selector – with Tow/Haul mode
- Intellibeam – LED, automatic on/off with automatic delay
- Transmission – 10-speed automatic, electronically controlled with overdrive and Electronic Precision Shift

**EXTERIOR**
- Active aero shutters – upper
- Daytime running lamps – LED
- Fuel filler – capless fueling
- Glass – solar-absorbing with acoustic-laminated windshield and deep-tinted rear windows
- Headlamps – LED, automatic on/off with automatic delay
- Tire – 17" full-size spare, lockable, mounted under frame at rear
- Taillamps – LED
- Wipers – front variable-speed, intermittent with Rainsense®; rear intermittent with washer

**INTERIOR**
- Airbags – frontal airbags for driver and front outboard passenger; seat-mounted side-impact airbags for driver and front outboard passenger; driver inboard seat-mounted side-impact airbag (requires front bucket seats on LS); head-curtain airbags for all rows in outboard seating positions; includes front outboard Passenger Sensing System for frontal outboard passenger airbag
- Air conditioning – tri-zone automatic climate control, with individual climate settings for driver, right-front passenger and rear passengers

† Read the vehicle Owner’s Manual for important feature limitations and information. A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child’s age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner’s Manual and the child safety seat instructions for more safety information. 2 Not compatible with all devices. 3 Does not detect people or items. Always check rear seat before exiting. 4 If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. See the SiriusXM Customer Agreement at siriusxm.com for complete terms and how to cancel. All fees, content, features and availability are subject to change. Certain features require a SiriusXM subscription and the Chevrolet Connected Access plan. See siriusxm.com and onstar.com for details and limitations. 6 Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. 7 Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and compatible Android smartphone. Data plan rates apply. You can check which smartphones are compatible at g.co/androidauto/requirements.
In addition to standard equipment, Suburban LS includes these features:

### MECHANICAL
- **Engine** – 5.3L EcoTec3 V8 with Dynamic Fuel Management, Variable Valve Timing (VVT) and Direct Injection
- **Exhaust** – single system with single outlet
- **Suspension** – 4-wheel independent, Premium Smooth Ride

**SPECIFICATIONS**

- **STANDARD**
- **AVAILABLE**
- **NOT AVAILABLE**

### EXTERIOR

- Assist steps: Power-retractable with perimeter lighting
- IntelliBeam: Automatic high beam on/off
- Mirrors: Heated, power-adjustable, power-folding with memory and driver-side auto-dimming features and puddle lamps (requires available Luxury Package on LT, RST and Z71)

### ENGINE/CHASSIS

- Advanced Trailering System: Predeparture checklist, trailer maintenance reminders, trailer security alerts, trailer mileage, Tow/Haul reminder, trailer electrical diagnostics and Trailer Tire Pressure Monitoring System module (requires available Advanced Trailering Package)
- Cooling system: Extra-capacity (requires available Max Trailering Package; gas engines only)
- 5.3L EcoTec3 V8 (L84) with Dynamic Fuel Management, Variable Valve Timing (VVT), Direct Injection and Automatic Stop/Start; paired with 10-speed automatic transmission, 355 hp @ 5600 rpm, 383 lb.-ft. of torque @ 4100 rpm
- 5.3L EcoTec3 V8 (L84/NSS) with Dynamic Fuel Management, Variable Valve Timing (VVT) and Direct Injection; not equipped with Automatic Stop/Start; paired with 10-speed automatic transmission, 355 hp @ 5600 rpm, 383 lb.-ft. of torque @ 4100 rpm
- 6.2L EcoTec3 V8 (L87) with Dynamic Fuel Management, Variable Valve Timing (VVT), Direct Injection and Automatic Stop/Start; paired with 10-speed automatic transmission, 420 hp @ 5600 rpm, 460 lb.-ft. of torque @ 4100 rpm
- 6.2L EcoTec3 V8 (L87/NSS) with Dynamic Fuel Management, Variable Valve Timing (VVT) and Direct Injection; not equipped with Automatic Stop/Start; paired with 10-speed automatic transmission, 420 hp @ 5600 rpm, 460 lb.-ft. of torque @ 4100 rpm
- Duramax 3.0L Turbo-Diesel I-6 (LM2) with Automatic Stop/Start; paired with 10-speed automatic transmission; includes engine block heater and upper and lower Active Aero Shutters, 277 hp @ 3750 rpm, 460 lb.-ft. of torque @ 1500 rpm
- Exhaust: Single system with single outlet (requires available Duramax 3.0L Turbo-Diesel I-6 [LM2] on Premier and High Country)
- Dual system with dual twin polished stainless steel tips (deleted when available Duramax 3.0L Turbo-Diesel I-6 [LM2] is ordered)
- Hill Descent Control (requires available 4WD on Premier and High Country)
- Hitch Guidance with Hitch View (requires available Advanced Trailering Package)
- Suspension: Magnetic Ride Control (requires available Off-Road Capability Package on Z71; requires available Max Trailering Package on High Country)
- Four-Corner Air Ride Adaptive (requires available Off-Road Capability Package on Z71; requires available Max Trailering Package on High Country)

### ENGINE/CHASSIS (CONTINUED)

- Trailer brake controller: Integrated (requires available Advanced Trailering Package)
- Trailer Tire Pressure Monitor sensors: Four sensors (requires available Max Trailering Package)
- Transfer case: Active, single-speed electronic Autotrac; does not include neutral position for dinghy towing (requires available 4WD)
- Active, 2-speed electronic Autotrac; includes neutral position for dinghy towing (requires available Max Trailering Package and 4WD on LS, RST and Z71; requires available 4WD on Premier and High Country)

### SAFETY & SECURITY

- Automatic Emergency Braking
- Enhanced Automatic Emergency Braking (requires available Adaptive Cruise Control)
- Following Distance Indicator
- Forward Collision Alert
- Front Pedestrian Braking
- Lane Change Alert with Side Blind Zone Alert (requires available Driver Alert Package on LS, RST and Z71)
- Lane Keep Assist with Lane Departure Warning (requires available Driver Alert Package on LS, RST and Z71)
- LATCH system (Lower Anchors and Tethers for Children), for child restraint systems
- Park Assist: Rear
- Rear Pedestrian Alert (requires available Advanced Trailering Package)
- Rear Pedestrian Alert (requires available Luxury Package on LT, RST and Z71; requires available Enhanced Display and Alert Package on Premier)
- HD Rear Vision Camera
- HD Surround Vision (includes HD Rear Vision Camera; requires available Luxury Package on LT, RST and Z71; requires available Enhanced Display and Alert Package on Premier)
- Safety Alert Seat
- Teen Driver technology
- Theft-deterrent system: Unauthorized entry
- Trailer Side Blind Zone Alert (requires available Advanced Trailering Package)
- Up to 3 months of OnStar Safety & Security coverage (which includes Automatic Crash Response, Stolen Vehicle Assistance, Emergency Services, Crisis Assist, Roadside Assistance and Turn-by-Turn Navigation)

---

1. Most vehicles built on or after 6/7/21 equipped with a V8 engine and 10-speed automatic transmission are not equipped with Automatic Stop/Start and its content. Contact a dealer for details on a specific vehicle. Vehicles not equipped with Automatic Stop/Start will be less fuel efficient. Please see page 34 for details.
2. Read the vehicle Owner’s Manual for important feature limitations and information.
3. When you select a monthly plan within 30 days of activating your 1-month trial, you’ll receive the first 2 months of the plan you select at no additional charge when you associate an approved payment method on file to your account and authorize recurring payments for your service plan. The amount and frequency of each recurring payment is based upon the service(s) and payment interval(s) you select from the options provided. After the trial expires, OnStar will automatically bill your payment method monthly at then-current standard monthly rates. Plans containing 4G LTE data will be billed every 30 days by AT&T. You may cancel at any time by using your blue OnStar button or calling 1-888-466-7827. May not be combined with other offers or retroactively applied. Offer subject to change.
4. Advisor-based Turn-by-Turn Navigation is subject to User Terms and limitations, and varies by vehicle model. Map coverage available in the United States, Puerto Rico and Canada. Availability subject to change.

---

1. Read the vehicle Owner’s Manual for important feature limitations and information.
2. Not compatible with all devices.
3. A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child’s age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner’s Manual and the child safety seat instructions for more safety information.
4. Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices.
5. Go to my.chevrolet.com/learnAbout/bluetooth to find out which phones are compatible with the vehicle. Full Bluetooth feature functionality varies by device, model and software version.
6. Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply.  
7. Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and a compatible Android smartphone. Data plan rates apply. You can check which smartphones are compatible at g.co/androidauto/requirements.  
8. Functionality is subject to limitations and varies by vehicle, infotainment system and location. Select service required. Certain Alexa Skills require account linking to use. Amazon, Alexa and all related marks are trademarks of Amazon.com, Inc., or its affiliates. Visit onstar.com for additional details.
9. Requires active service plan and paid AT&T vehicle data plan or compatible device with 3G/4G LTE tethering data plan. Visit onstar.com for details and limitations.
12. Service varies with conditions and location. Requires active service and paid AT&T data plan. Visit onstar.com for details and limitations. Availability subject to change. Standard connectivity available only to original purchaser for 10 years. Connected Access services are subject to change. Does not include emergency or security services. Diagnostic capabilities vary by model and service plan. Message and data rates may apply. Requires contact method on file and enrollment to receive alerts. Not all issues will deliver alerts. Visit onstar.com for details and limitations.

First oil change is covered\(^3\): Experience Chevrolet Complete Care, a comprehensive coverage, limited warranty and protection program that comes standard with every new 2021 Chevrolet Suburban lease and purchase.

Enroll. It’s quick, it’s easy and there is no cost to join. You will automatically receive points just for enrolling. To enroll, visit mychevroletrewards.com.

Earn. Earn points on eligible new vehicle leases or purchases, which can be redeemed toward accessories, vehicle service and more. Plus, get points for paid service; select OnStar\(^6\) and Connected Services plans; and many others.

Enjoy. Use points toward eligible accessories, paid service, eligible new vehicles and more. It’s our way of saying thanks!

NEW VEHICLE LIMITED WARRANTY

Chevrolet will warrant each 2021 Suburban with:

- 3-year/36,000-mile\(^8\) bumper-to-bumper warranty
- 6 years/100,000 miles\(^8\) of rust-through protection
- 5 years/60,000 miles\(^8\) of roadside assistance\(^8\) and courtesy transportation

- 5-year/60,000-mile\(^8\) powertrain limited warranty
- 5-year/100,000-mile\(^8\) diesel limited warranty (when equipped with a Duramax 3.0L Turbo-Diesel 1-6 engine)

NEW VEHICLE LIMITED WARRANTY

Chevrolet will warrant each 2021 Suburban with:

- 3-year/36,000-mile\(^8\) bumper-to-bumper warranty
- 6 years/100,000 miles\(^8\) of rust-through protection
- 5 years/60,000 miles\(^8\) of roadside assistance\(^8\) and courtesy transportation

1 Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner’s Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. 2 Cargo and load capacity limited by weight and distribution. Most vehicles built on or after 6/7/21 equipped with a V8 engine and 10-speed automatic transmission are not equipped with Automatic Stop/Start and its content. Contact a dealer for details on a specific vehicle. Vehicles not equipped with Automatic Stop/Start will be less fuel efficient. Must be 18 years or older. Points may be earned and redeemed only at participating GM entities, dealers or third party retailers in the United States (excluding Puerto Rico, the U.S. Virgin Islands or Guam). Points are not earned on taxes or certain fees, and expire 5 years from when points are earned. Some restrictions apply. Contact the dealer network for details. Members may use the voucher on eligible Chevrolet, Buick, GMC and Cadillac Accessories purchased through a participating dealership. Voucher must be used by expiration date noted. Any unused amount of the voucher will be forfeited. Excludes taxes, fees and body shop repair orders. It could take up to 15 days for points to post to your account. Connected vehicle services vary by vehicle model and require working electrical system, cell reception and GPS signal. Requires active service plan. OnStar links to emergency services. Visit onstar.com for details and limitations. It’s our way of saying thanks!

**IMPORTANT INFORMATION**

**Chevrolet Owner Center (my.chevrolet.com).** Everything you need to know. Anything you need to do. Your Chevrolet Owner Center makes it easy. Create your account today to get the most out of your new vehicle. Get special alerts and offers, schedule service, review your maintenance schedule, and view how-to videos specifically for your vehicle. All online, anytime. Visit the Owner Center today to register or take a tour.

**Engines.** Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

**Assembly.** Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

**Chevrolet Connected Services and OnStar.** Connected vehicle services vary by vehicle model and require an active service plan, working electrical system, cell reception and GPS signal. OnStar links to emergency services. Visit onstar.com for details and limitations.

**A note on child safety.** Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information.

**Important words about this catalog.** We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Large SUV segment and latest available competitive information. Excludes other GM vehicles.

**Fleet orders.** Some standard content may be deleted on fleet orders. See dealer for details.

**Chevrolet ownership experience.** Chevrolet is committed to enhancing the vehicle shopping and ownership experience through a wide array of programs. Visit chevrolet.com to build and price, find a vehicle, request a quote, compare vehicles, find financial tools or track your vehicle order. You'll also find information about 24-hour Roadside Assistance, Courtesy Transportation, Customer Assistance, GM Mobility, safety and current incentives.

**Chevrolet.com/safety.** Chevrolet is committed to helping keep you and your family safe — from the start of your journey to your destination. That's why Chevrolet vehicles offer standard and available safety and security features to help give you peace of mind.

**GMmobility.com (1-800-323-9935).** GM Mobility℠ offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.

**The BuyPower Card.** The Chevrolet BuyPower Card — Every purchase you make with the BuyPower Card from Capital One® helps you earn toward an eligible new Chevrolet, Buick, GMC or Cadillac vehicle. There's no limit on the amount you can earn or redeem, and your Earnings don't expire. Visit chevroletbuypowercard.com/catalogs.

* Capital One, N.A. is the issuer of the BuyPower Card. General Motors (“GM”) is responsible for the operation and administration of the Earnings program.
