2022 ACCESSORIES

ACCESSORIES

ACCESSORIES

LIVE YOUR BIGGEST LIFE.

Colorado lets you live life on your own terms. Whether you're excelling on pavement or conquering the trails, Chevrolet Accessories can give you even more with parts that have been designed, engineered, tested and backed for this midsize truck.

Shop online today at chevrolet.com/accessories or see your Chevrolet Dealer to learn what's possible.

On the cover: 2022 Colorado ZR2 with available accessories.

GM reserves the right to make changes at any time, without notice, in prices, colors, materials, equipment, features, specifications, models, accessories and availability. The Colorado Accessories Brochure features accessories that are designed, engineered, tested and backed by Chevrolet. An additional offering of Associated Accessories is also available, which are engineered, tested and backed by third-party manufacturers. The Associated Accessories symbol  denotes that the accessory is engineered and sourced by third-party companies, each with its own individual warranty coverage.

Most Chevrolet Parts and Accessories sold and installed on a Chevrolet vehicle by a Chevrolet Dealer or a Chevrolet-approved Accessory Distributor/Installer (ADI) before delivery to the customer are covered under the applicable limited warranty. If Chevrolet Accessories are installed after vehicle delivery, or are replaced under the New Vehicle Limited Warranty, they will be covered, parts and labor, for the longer of the following: a) 12 months/12,000 miles (whichever comes first), or b) the balance of the applicable portion of the New Vehicle Limited Warranty. Chevrolet Parts sold over the counter, or those not requiring installation, will continue to receive the standard Chevrolet Dealer Parts Warranty of 12 months from the date of purchase, parts only, regardless of miles. Chevrolet warranties do not apply to Associated Accessories. See your dealer for details.

EXTERIOR

YOUR TRUCK, YOUR WAY.

Get noticed and leave a lasting impression. A wide range of exterior accessories and parts have been purpose-built for your Colorado to help you send a powerful message, whether you're coming or going.

STEP ON UP.

EXTERIOR

1. 5-INCH RECTANGULAR ASSIST STEPS

Make it easier to get in and out of your Colorado. These assist steps have been tested through numerous cycles to last the life of your truck. Textured surface helps provide maximum traction and accessibility. Constructed of aluminum with a Chrome or Black finish.

2. ROCKER PANEL GUARDS

Help protect your Colorado rocker panels from road debris while adding an aggressive appearance.

3. 3-INCH OFF-ROAD ASSIST STEPS IN BLACK

Designed to meet the fit, appearance and compatibility standards of your truck, these assist steps protect the outer body panels from stone-throw damage. Constructed of aluminum with a Black finish.

3

FIND ADVENTURE IN STYLE.

EXTERIOR

1. EMBLEMS IN BLACK

Add a personalized feel to your Colorado exterior. These emblems have been created to meet the fit, appearance and compatibility standards of your truck. They use the same high-quality material as your production emblems.

2. ILLUMINATED BOWTIE EMBLEM IN BLACK

Add a prominent backlit appearance that stands out as you drive down the road. The Illuminated Emblem uses the same high-quality material as your production emblems. Created to meet the fit, appearance and compatibility standards of your Colorado.

3. HITCH-MOUNTED WINTERSPORT CARRIER BY THULE®¹

Holds 6 pairs of skis or 4 snowboards, making it perfect for group ski or snowboarding trips. Convenient hitch mount frees up vehicle space for additional cargo, while keeping the vehicle's interior tidy. Soft rubber arms have a sturdy grip that won't scratch the surface of your skis or snowboards. Oversized push buttons help with loading or unloading without having to remove bulky winter gloves. Requires hitch-mounted bicycle carrier, sold separately.

 Associated Accessory. Non-GM Part.

¹Non-GM warranty. Limited lifetime warranty by Thule®. For more information, contact your dealer.

Non-accessory items shown not included.

→

EXTERIOR

1. FRONT AND REAR SPLASH GUARDS

Accent the exterior styling of your Colorado and help protect it from mud, gravel and road splash. Designed, tested and engineered for your truck. Sold in a pair of two for the front wheel openings and pair of two for the rear wheel openings. Rear includes Bowtie logo.

2. WASH AND WAX KIT BY ADAM'S POLISHES®¹

Help protect and enhance the exterior of your Colorado. Give it that fresh-out-of-the-showroom look with 5-gallon bucket with grit guard and gamma seal lid, buttery wax, car shampoo, detail spray, double soft towel, great white towel, wash pad and 2 microfiber applicators, all included.

3. TIRE AND WHEEL KIT BY ADAM'S POLISHES®¹

Tough on road grime, brake dust and stubborn metallic contamination, this Tire and Wheel Kit will help return your wheel and tire sidewall finish to their original beauty. Includes Adam's Polishes® Tire and Rubber Cleaner, Adam's Polishes® Wheel Cleaner, Adam's Polishes® Tire Shine, Adam's Polishes® Tire Brush, Adam's Polishes® Short Wheel Brush and Adam's Polishes® Super Block Foam Applicator.

¹Associated Accessory. Non-GM Part.
¹Non-GM warranty. Lifetime limited warranty by Adam's Polishes®. For more information, contact your dealer.

TAME THE TRAILS.

EXTERIOR

1. SPORT BAR-MOUNTED OFF-ROAD LAMP

Help light the way. This Off-Road Lamp provides excellent illumination for off-roading at night. Designed and engineered for your Colorado, this lamp integrates with your vehicle's electrical system. Available for vehicles with foglamps or for vehicles without foglamps.

2. OFF-ROAD SQUADRON SPORT LAMPS BY BAJA DESIGNS^{®1,2}

These weather-resistant lamps stand up to extreme conditions and illuminate your off-road presence. Each light produces 2,260 lumens. Includes two Sport Lamps, mounting brackets and protective covers.

3. OFF-ROAD 30-INCH LIGHT BAR BY BAJA DESIGNS^{®1,2,3}

LED lamps provide additional illumination for off-road night vision. Unique design helps set your Colorado apart. Includes light bar, mounting brackets and protective cover.

4. WIRING HARNESS BY BAJA DESIGNS^{®1}

Simple plug-and-play design eliminates the need for cutting or splicing. Allows for easy install and use of Baja Designs[®] light bar and lamps.

4

2

3

 Associated Accessory. Non-GM Part.

¹Non-GM warranty. Limited lifetime warranty by Baja Designs[®]. For more information, contact your dealer.

²Requires wiring harness by Baja Designs[®], sold separately.

³Requires Sports Bar, sold separately.

EXTERIOR

1. FRONT SKID PLATE, MID SKID PLATE AND TRANSFER SKID PLATE

Protect the underside of your vehicle when going off-road. These skid plates are designed to help keep rocks or branches from damaging key mechanical components. They provide added protection in extreme conditions.

1

2. WINCH BY COMEUP®¹

Stay confident in your ability to self-recover while off-road. The Seal Gen2 Waterproof Series Winch features a compact design while capable with a 9,500-lb. pulling rating. Requires Winch Install Kit by AEV (sold separately).

2

3. REAR AUXILIARY LIGHT KIT BY BAJA DESIGNS®²

Help illuminate your trek when off-road. This kit for ZR2 Bison models includes one pair of lights, wiring and brackets. Output rating is 2,260 per light (4,520 lumens per pair).

3

¹Associated Accessory. Non-GM Part.

¹Non-GM warranty by ComeUp®, 3 years/36,000 miles (whichever occurs first). For more information, contact your dealer.

²Non-GM warranty. Limited lifetime warranty by Baja Designs®. For more information, contact your dealer.

STAND OUT IN A CROWD.

Personalize your vehicle to reflect your tastes and needs with wheels that are validated to Colorado specifications.

WHEELS

1. 17x8-INCH ALUMINUM MULTI-SPOKE WHEEL IN GLOSS BLACK¹

2. 17x8-INCH ALUMINUM 5-SPOKE WHEEL IN GLOSS BLACK¹

3. 20x8.5-INCH ALUMINUM 5-SPLIT-SPOKE WHEEL IN LOW GLOSS BLACK¹

4. WHEEL LOCK KIT IN BLACK

Help protect your wheels from theft. These wheel locks are constructed of heat-treated hardened steel. Kit includes one key and four wheel locks.

5. LUG NUTS IN BLACK

Complement your vehicle's wheels. The Black finish offers a polished look to enhance your vehicle's appearance.

← TAKE ON THE WORLD.

1. FLAT TOP 6-PAIR MOUNTED SKI CARRIER BY THULE®^{1,2}

Free up space for additional cargo in your Colorado. Convenient carrier holds up to six pairs of skis or up to four snowboards and features ultra-soft rubber arms that prevent scratches while keeping items secure.

1

2. HORIZON ROOFTOP TENT BY NAPIER®³

Keep dry and off the ground when out in the wild. This Rooftop Tent features a thick foam wall-to-wall mattress for ultimate comfort and a rainfly for extra protection from storms. Requires bed rack, sold separately.

3. VENTURE TEC RACK BY PUTCO®⁴

Go on an adventure. This rack is designed to accommodate most Overland and Rooftop tents (sold separately). Constructed using high-quality, lightweight 6061-T6 aluminum, it accommodates on-the-go carrying needs.

4. SLIDING BED TRAY BY BEDSLIDE®⁵

Convert your Colorado truck bed into an easy-access drawer that rolls your gear out of the tailgate and into easy reach with a simple pull of the handle. The Bed Tray features 1,000-lb. payload capacity.

5. BED CARGO NET BY LOADTAMER™⁶

Secure luggage, camping gear and cargo with this Cargo Net. It features an adjustable cinch rope and rope lock to allow single-point adjustment at the tailgate after anchoring. Storage bag included.

WORK HARD, PLAY HARD.

BED PRODUCTS

1. SPORT BAR PACKAGE IN BLACK WITH ZR2 LOGO
Create a strong, bold appearance with this bed-mounted off-road Sport Bar. This customized look features a laser-cut ZR2 logo on the side panel.

2. SIDE RAILS
Create more places to secure cargo in your Colorado. Side Rails also enhance your vehicle's appearance.

3. SHORT BED TRUCK BED STORAGE SYSTEM BY DECKED^{®1}
Make reaching for things in your truck bed easier. This system provides a durable and organized storage solution for your Colorado, featuring smooth-rolling, secure drawers.

4. BED LINER WITH INTEGRATED STORAGE POCKETS
Contoured to the surface of your Colorado truck bed, this Bed Liner protects the cargo bed and allows easy access to Original Equipment cargo tiedowns and accessories. Features two rear integrated storage pockets.

5. LED PERIMETER BED LIGHTING
Illuminate your truck bed and make it easier to find cargo, tools or supplies at night. Engineered to integrate with the cargo lamp in your Colorado. The Perimeter Bed Lighting is completely waterproof.

6. SWING-OUT TOOL BOX BY UNDERCOVER^{TM2}
Organize and secure valuable cargo. Specifically designed for your Colorado, this lockable Tool Box is made of weather-resistant material. Available for Driver Side or Passenger Side.

INTERIOR

1. FIRST-ROW PREMIUM ALL-WEATHER FLOOR MATS IN JET BLACK WITH BOWTIE LOGO

Help protect the interior of your vehicle from everyday use. The deep-patterned design works to collect rain, mud, snow and other debris. These All-Weather Mats feature a high-friction backing to help prevent shifting. Includes driver and front-passenger mats.

2. FIRST-ROW PREMIUM ALL-WEATHER FLOOR MATS IN JET BLACK WITH Z71® LOGO

Enhance the appearance of your interior with Floor Mats featuring the Z71 logo. These custom floor mats cover previous wear of interior floors and can help protect against future wear from everyday use. They are removable for easy car carpet cleaning and feature a high-friction backing to help prevent shifting. Includes driver and front-passenger mats.

3. SECOND-ROW INTERLOCKING PREMIUM ALL-WEATHER FLOOR LINERS IN JET BLACK

Cover previous wear of your interior floors and help protect against future wear. These Floor Liners provide a barrier to help contain debris, snow and water. Other features include a 3-dimensional design specifically developed for your Colorado and high-friction backing for outstanding traction. The two-piece interlocking design makes for easy removal and optimal carpet coverage. Available for Extended Cab or Crew Cab.

4. FIRST-ROW PREMIUM ALL-WEATHER FLOOR LINERS IN JET BLACK WITH BOWTIE LOGO

Precision-engineered Floor Liners meet the exact fit and appearance standards of the interior of your Colorado. Featuring high-friction backing for traction, molded edges to protect all sides of your vehicle's footwells and deep-patterned, molded grooves to help channel debris, snow and water away from the vehicle's carpeting. Also available with Chrome Bowtie Logo.

GO OUT AND GET DIRTY.

INTERIOR MOTIVES.

INTERIOR

1. INTERIOR AMBIENT LIGHTING

Customize the interior of your Colorado with a soft glow provided by Chevrolet Accessories Ambient Lighting. Stylish soft lighting illuminates when the door is opened and turns off when the door is shut.

2. CREW CAB 200-WATT SUBWOOFER AND 200-WATT AUDIO AMPLIFIER KIT BY KICKER®¹

Amp up the sound system in your Colorado. The Audio Amplifier Kit adds big-bass subwoofer sound. Available for IOR or for IOS radios.

3. REAR SEAT COVER SET IN JET BLACK WITH BOWTIE LOGO

Help protect your vehicle's rear seat with a ready defense against muddy clothes, shedding pets, wet swimsuits and messy food. The Seat Cover is water-resistant and machine-washable. Available with Armrest or without Armrest.

 Associated Accessory. Non-GM Part.

¹Non-GM warranty. Limited warranty by KICKER®, 3 years/36,000 miles (whichever occurs first). For more information, contact your dealer.

FULL-THROTTLE FUN.

PERFORMANCE

1. ENGINE AIR INTAKE SNORKEL KIT BY AEV®¹

Up your off-road game with a Snorkel designed and engineered specifically for your Colorado. The raised air intake is designed to draw in cooler air when traveling dusty roads.

REDUCES AIR INTAKE RESTRICTION BY UP TO
20%
ON COLORADO²

2. COLD AIR INTAKE

Upgrade performance potential by reducing air intake restriction by up to 20%². The Cold Air Intake is powder coated for durability and insulated to avoid engine compartment heat.

3. EXHAUST TIPS

Enhance your Colorado with Exhaust Tips built from 304 stainless steel. Exhaust tip temperatures are reduced by up to 100°F. Dual-Wall Angle-Cut design features Bowtie logo. Available in Black Chrome for 3.6L engine or in Black Chrome or Polished Stainless Steel for 3.6L engine or 2.5L engine.

4. PERFORMANCE EXHAUST UPGRADE

Unleash your Colorado and get up to 10 horsepower gain³ and 6 lb.-ft. of torque increase with the Exhaust Upgrade. Features premium 304 stainless steel for improved corrosion protection and a 4.5-inch highly polished exhaust tip with Bowtie logo. Available for Short Bed or for Long Bed.

10
UP TO
HORSEPOWER GAIN³

5. 2.8L DIESEL EXHAUST TIP RELOCATION KIT

Go rock crawling and off-roading with your Colorado and have maximum exhaust tip clearance with the Chevrolet Performance Exhaust Tip Relocation Kit. This system helps increase exhaust tip ground clearance by up to 2 inches and improves the exhaust tip departure angle by up to 9 degrees.

6. 1-INCH FRONT LEVELING KIT

Increase your ride height by up to 1 inch. This kit levels the vehicle's stance for increased clearance over off-road obstacles.

¹Associated Accessory. Non-GM Part.

²Non-GM warranty. Limited warranty by AEV®, 3 years/36,000 miles (whichever occurs first). For more information, contact your dealer.

³At peak rated airflow of 240 grams per second.

³Estimated power based upon SAE test procedure J1349.

Most Chevrolet Parts and Accessories sold and installed on a Chevrolet vehicle by a Chevrolet Dealer or a Chevrolet-approved Accessory Distributor/Installer (ADI) before delivery to the customer are covered under the applicable limited warranty. If Chevrolet Accessories are installed after vehicle delivery, or are replaced under the New Vehicle Limited Warranty, they will be covered, parts and labor, for the longer of the following: a) 12 months/12,000 miles (whichever comes first), or b) the balance of the applicable portion of the New Vehicle Limited Warranty. Chevrolet Parts sold over the counter, or those not requiring installation, will continue to receive the standard Chevrolet Dealer Parts Warranty of 12 months from the date of purchase, parts only, regardless of miles. Chevrolet warranties do not apply to Associated Accessories. See your dealer for details.

PERFORMANCE

1. ZR2 1.5-INCH BODY LIFT SYSTEM¹

Increases front and rear fender clearance, enabling the use of popular off-road tire options. The system is a direct bolt-on for 2017+ Colorado ZR2 V6 models intended exclusively for off-road use.

2. FRONT AND REAR JOUNCE SHOCK SYSTEMS

Front and Rear Jounce Shock Systems (Front and Rear systems sold separately) incorporate nitrogen-charged hydraulic secondary suspension bump shocks developed for off-road racing and rock crawling. They greatly enhance gross vehicle motion control, increase suspension capacity and help provide exponential bottoming protection for extreme off-road conditions. Separate front and rear bolt-on systems include Jounce Shocks for each side, required mounting brackets and all required fasteners. Rear Jounce Shock System requires Jounce Striker/Leaf Spring Mount System, available separately.

3. ZR2 CROSS CAR BEAM SYSTEM¹

This system helps counteract loads from the ZR2 Rear Jounce Shock System. Recommended for pairing with the ZR2 Rear Jounce Shock System, the system includes the beam assembly, end plates and required fasteners.

4. ZR2 REAR DIFFERENTIAL COVER

The Rear Differential Cover's precision-machined 6061-T6 aluminum billet construction offers robust mounting attachments for the Anti-Wrap Link System. Features a clear-anodized machined billet exterior, unique Chevrolet Performance logo plate and includes installation hardware. Can be used with the optional Anti-Wrap Bar System or alone.

5. ZR2 LONG TRAVEL LEAF SPRING SYSTEM

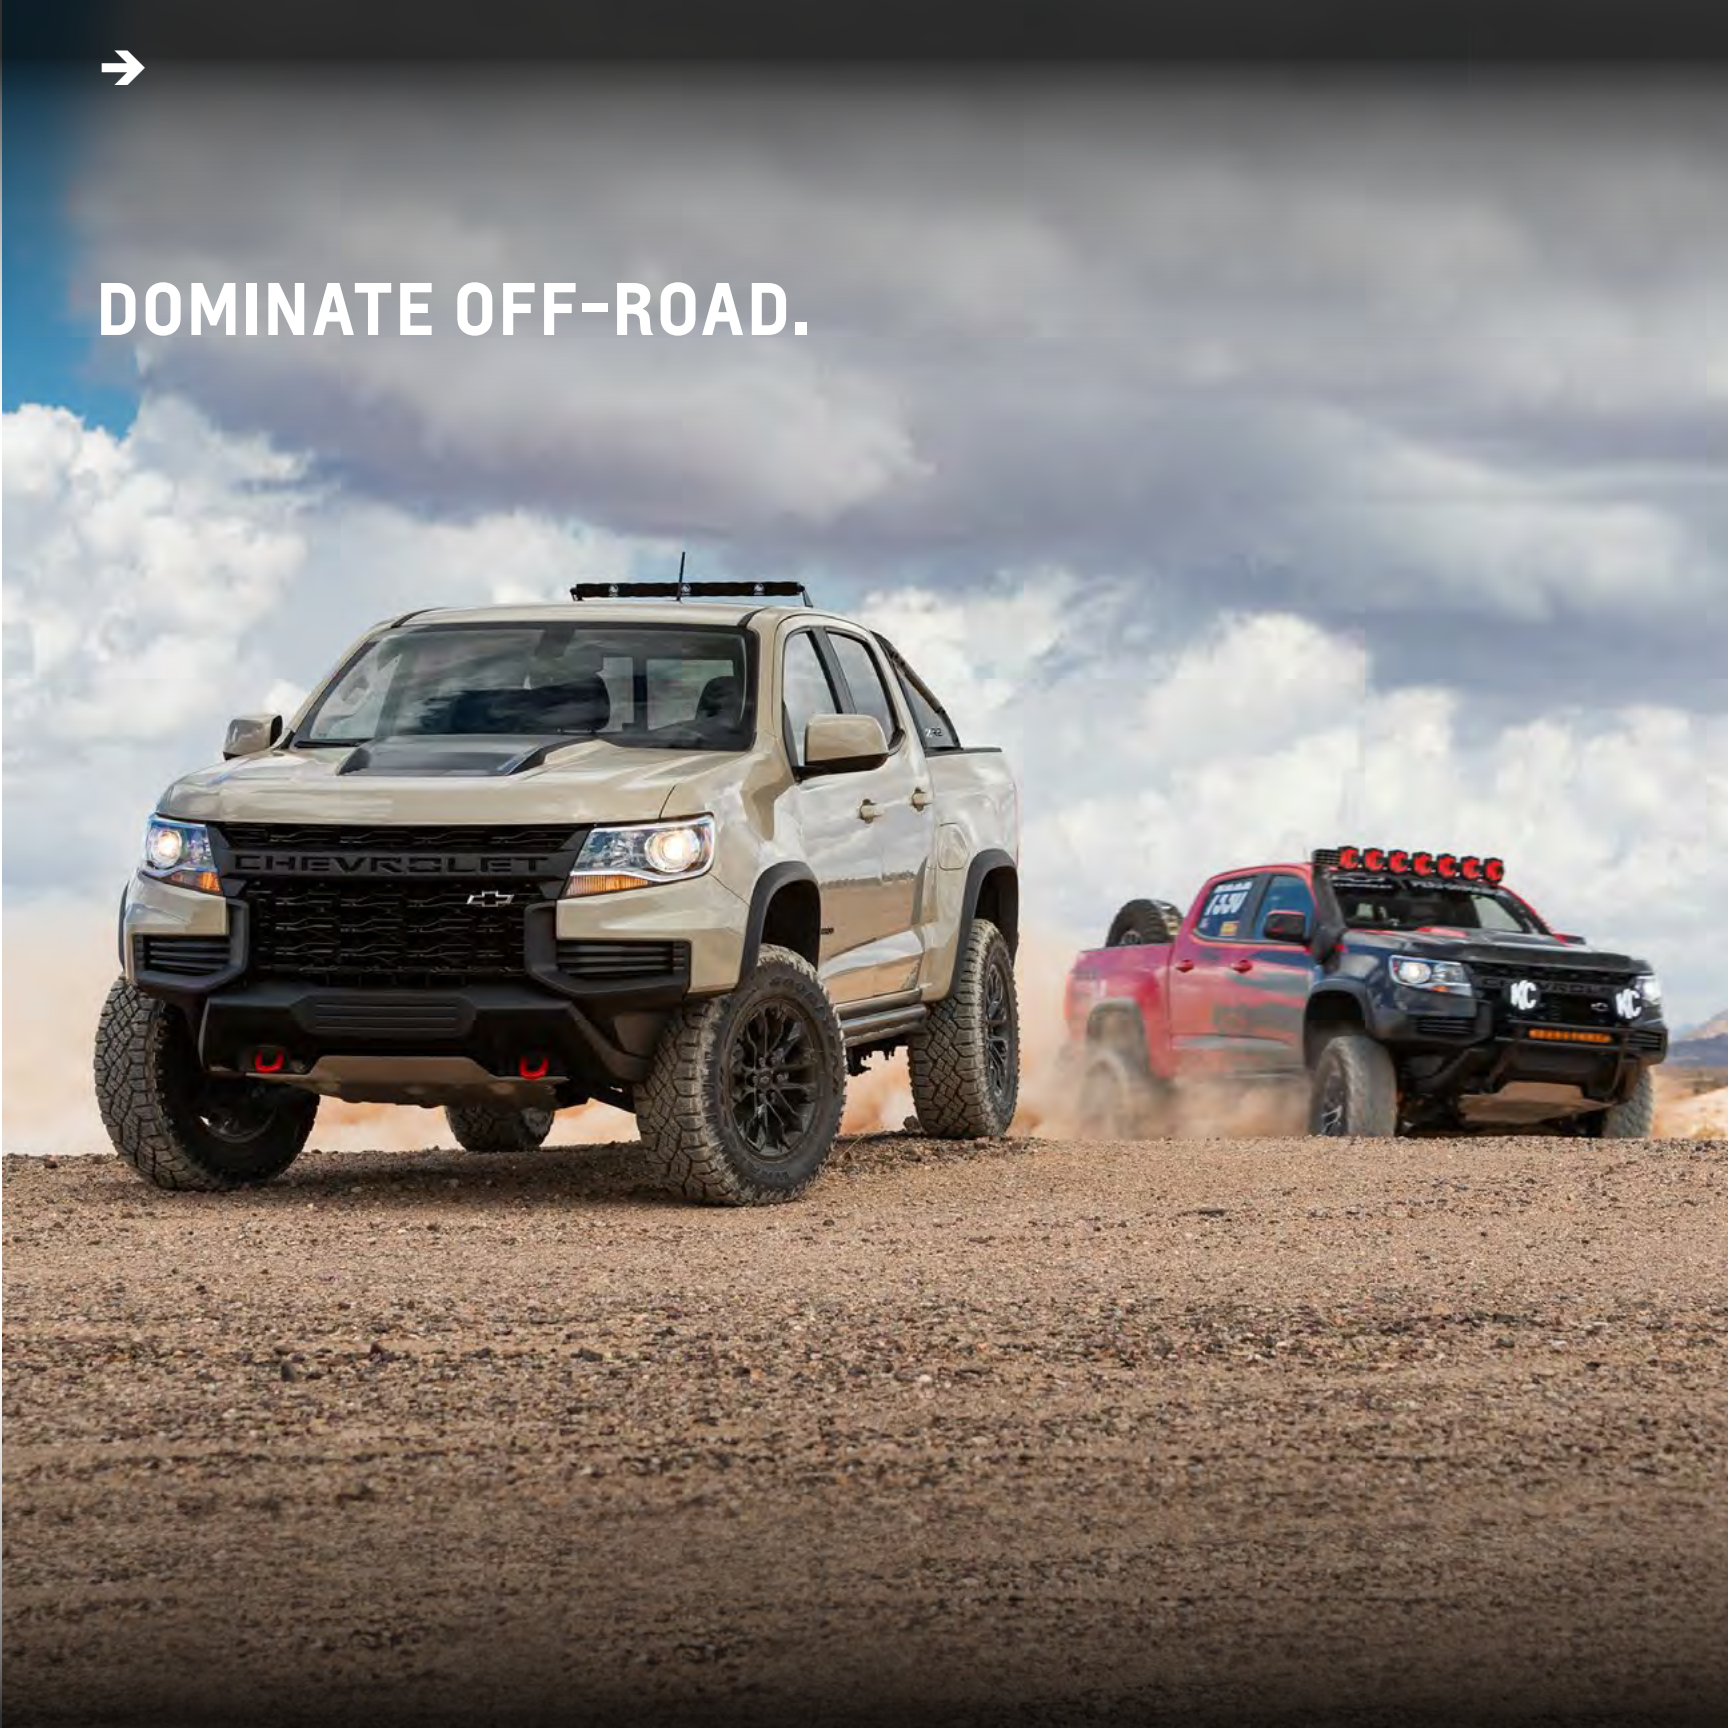

An optimized single-rate leaf spring that replaces the stock ZR2 Dual-Rate Spring. The spring design relocates the rear axle for a better system-directed path of the rear tire to center in the rear wheelhouse in extreme travel conditions. The spring system also increases the rear ride height approximately 30mm to allow for a typical off-road payload to be carried during off-road events. Overall suspension travel is increased up to 11" when paired with Long Travel Rear DSSV shocks. A direct bolt-on, the system includes both rear leaf springs, longer off-road shackles and all mounting fasteners.

6. ZR2 ANTI-WRAP LINK SYSTEM¹

Help prevent axle wrap under acceleration and braking while improving suspension control in extreme off-road conditions. This system is a direct bolt-on to V6-equipped 2017+ Colorado ZR2 models intended exclusively for off-road use and includes the front frame attachment, Anti-Wrap Bar with bushing and sealed rod end bearing, a differential cover bracket and all necessary mounting fasteners. Requires the additional Rear Differential Cover and Long Travel Rear Leaf Spring System.

The Chevrolet Performance ZR2 Off-Road Performance Parts listed here are intended for off-road use.
¹Not available for diesel ZR2 models.

DOMINATE OFF-ROAD.

PUSH THE LIMITS.

PERFORMANCE

6. ZR2 FRONT AND REAR LONG TRAVEL DSSV SHOCKS

The Chevrolet Performance ZR2 Front Long Travel Dynamic Suspension Spool Valve (DSSV) Shocks are designed and tuned specifically for off-road racing by Chevrolet Performance and Multimatic. They provide up to a 15% increase in overall suspension travel on 2017+ Colorado ZR2 models. Enhancements from stock ZR2 DSSV Shocks include an 18mm diameter rod to accommodate higher side load, advanced design seals to handle high shock temperatures, solid Heim joint lower mount and optimized Spool Valve tuning. The system includes both front shocks, top mounts with rate washers, upper spring seats and all required mounting fasteners. Chevrolet Performance ZR2 Rear Long Travel Dynamic Suspension Spool Valve (DSSV) Shocks are designed and tuned specifically for off-road racing by Chevrolet Performance and Multimatic. They provide up to a 10% increase in overall rear suspension travel on 2017+ Colorado ZR2 models and feature a 16mm diameter rod for higher side load, advanced design seals to handle high shock temperatures and optimized Spool Valve tuning. Includes both rear shocks and all required mounting fasteners. The front system requires the High Angle Upper Control Arm Ball Joint System. Chevrolet Performance recommends use with the Plunging Ball Spline Half Shaft System and Front Jounce Shock System for optimum off-road performance. NOTE: The front system does not include springs.

1. FRONT LEVELING KIT WITH HIGH-ANGLE UPPER CONTROL ARMS

Increases front ride height by up to 1 ¼ inches, levels vehicle stance and provides a greater approach angle, all of which help enable the use of popular off-road tire combinations¹. High-angle upper control arms maintain optimal joint articulation for increased front suspension travel, and upgraded ball joints increase cross car articulation by up to 18%. The sealed ball joint and boot design based on Chevrolet Performance standards provides a protected environment from off-road elements. This system provides additional integration with the DSSV dampers to help maintain the factory stock ZR2 ride quality. Not compatible with ZR2 Front Long Travel DSSV Shocks.

2. ZR2 STEEL DRIVESHAFT

Gain superior resistance to impact damage in off-road conditions. The 3 ½ -inch diameter steel shaft allows for increased clearance over obstacles and improves packaging with additional and optional off-road suspension components. The steel shaft comes assembled with 1350 U-Joints and has a maximum driveshaft speed of 5,000 rpm.

3. ZR2 HIGH-ANGLE UPPER CONTROL ARM BALL JOINT SYSTEM

This system enables increased upper ball joint articulation, which enables increased front suspension travel. A direct replacement for the production unit, the high-angle joint system increases cross car articulation by up to 18% and features a sealed ball joint design and boot design based on Chevrolet Performance standards, providing a protected environment from off-road elements.

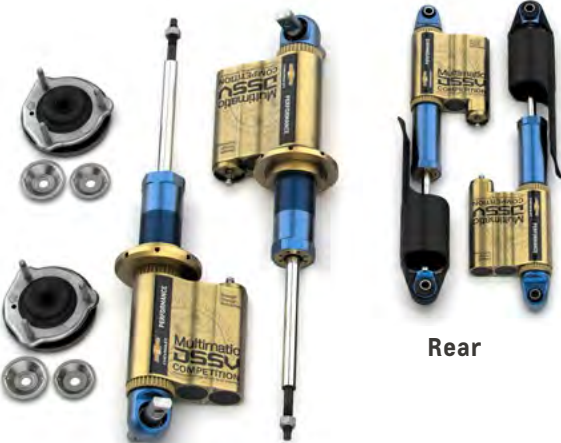

4. ZR2 BALL SPLINE HALF SHAFTS

These half shafts allow for larger joint angles compared to production ZR2 half shafts, accommodating lifted or leveled 2017+ Colorado ZR2 models intended exclusively for off-road use. Featuring fixed inner and outer joints and center bar plunging, these half shafts provide improved articulation while reducing feedback forces through the steering system during hard cornering. The system includes Ball Spline Half Shafts and wheel nuts.

5. ZR2 HEAVY-DUTY TIE ROD SLEEVES

An effective solution to increase buckling strength for severe duty, off-road and race conditions while maintaining the stock tie rods. Tested and validated in extreme off-road races, the Tie Rod Sleeve System is a proven addition to the ZR2.

Front

Rear

The Chevrolet Performance ZR2 Off-Road Performance Parts listed here are intended for off-road use.
¹Use only GM-approved tire and wheel combinations. See chevrolet.com/accessories for important wheel and tire information, or see your dealer.

PUT IT ALL TOGETHER.
