THE SKY’S THE LIMIT.
Corvette is always raising expectations and never standing still. It stands ready to take on all challengers with an unmatched prowess and aesthetic. Three models — the precision-focused stingray, track-bred grand sport and the high-powered z06 — can take personalization to new heights.

Corvette vehicles shown with optional equipment.
1 Not available on performance exhaust.
2 2.05 mph is achievable only under ideal conditions, as it would require an unobstructed runway and perfect weather. The final generation stingray’s performance was noted to be limited by wind and tire temperatures at the track.
3 Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability.
4 Based on initial vehicle movement.
Celebrate 65 years of innovation with this limited edition that exemplifies Corvette performance. The Carbon 65 Edition is available on Grand Sport 3LZ and Z06 3LZ coupe or convertible models and includes numerous carbon-fiber upgrades. These models will be produced with a unique VIN sequence (and will see limited production of 650 units).

2018 CARBON 65 EDITION

CORVETTE EXPERIENCE

EXPERIENCE IT LIKE NEVER BEFORE.

OFFICIAL CORVETTE HIGH-PERFORMANCE DRIVING SCHOOL

Every new Corvette comes with an invitation for a discounted rate of $1,000 on an exclusive two-day course at the Ron Fellows Performance Driving School at Spring Mountain Motor Resort and Country Club in Pahrump, Nevada. Breakfast, lunch and an overnight stay are included.

Valid for first purchaser or lessee of a new 2016–2018 Corvette only. You will be responsible for all related travel expenses. Transportation to/from the event and all related travel expenses are the responsibility of participant. Participant must register and complete Driving School program within one year from date of new Corvette vehicle delivery. Participant subject to change or termination at any time, without notice.

CORVETTE MUSEUM DELIVERY WITH INTERIOR LOGO PLAQUE

Take delivery of your new Corvette right on the showroom floor of the National Corvette Museum. You and three guests will receive a private tour of the Bowling Green Assembly Plant and National Corvette Museum and a personalized demonstration of your car’s features by a Corvette product expert. In addition, you’ll be given a one-year Museum membership, an exterior door jamb decal, a personalized interior plaque and a personalized wall plaque.

PERSONALIZED INTERIOR PLAQUE

Personalize your Corvette with a plaque on the front center console of your new car’s dash. This plaque features your name, Vehicle Identification Number and the Crossed-Flags logo.

This option is available only with a sold customer order. The dealer will be contacted after the order is accepted for production and a qualified part will be granted to the dealership. The dealer will then place the order with the National Corvette Museum. Aftermarket personalized plaques are available through the National Corvette Museum. A one-year membership to the National Corvette Museum is included with every Corvette purchase. See your Chevrolet Dealer or visit chevrolet.com for more details. Programs subject to change or termination without notice.
Corvette Accessories are completely in tune with the engineering and design standards set forth by Corvette. They’ve been designed and engineered to fit just right and work alongside the systems and components of your Corvette, no matter where you drive.

The windscreens available on convertible models have been tested for wind noise at speeds of up to 125 mph to make sure they perform quietly. Plus, our available carbon-fiber ground effects are track-tested to meet all Corvette performance requirements, while their clearcoat paint has endured a rigorous 10-year cycle test to help maintain the proper appearance standards.

When it comes to personalization, there’s only one choice for your legendary sports car.

Most Chevrolet Parts and Accessories sold and installed on a Chevrolet vehicle by a Chevrolet Dealer or a Chevrolet-approved Accessory Dealer/Installer (ADI) before delivery to the customer are covered under the applicable portion (Bumper-to-Bumper, Powertrain, etc.) of the New Vehicle Limited Warranty. If Chevrolet Accessories are installed after vehicle delivery, or are replaced under the New Vehicle Limited Warranty, they will be covered, parts and labor, for the longer of the following, at 100% of the vehicle’s Normal Value (NVM): a) 12 months/12,000 miles (whichever comes first), or b) the balance of the applicable portion of the New Vehicle Limited Warranty. Chevrolet Parts sold over the counter, or those not requiring installation, will continue to receive the standard GM Dealer Parts Warranty. Chevrolet Parts sold to a 3rd party are covered, parts and labor, for the balance of the applicable portion of the New Vehicle Limited Warranty. Does not apply to Associated Accessories. See your dealer for details.

Associated Accessories are not tested by Chevrolet, or necessarily undergo the same third-party testing procedures as Chevrolet accessories.

With Front Camera. P/N 84115265.
MSRP*: $550.

ACCESSORIES
CREATE YOUR OWN LEGEND.

1. STINGRAY HIGH WING SPOILER
Available for coupe and convertible. Shown in Black.
P/N 22908984.
MSRP*: $495.
Also available in Arctic White, Long Beach Red Metallic, Admiral Blue Metallic, Blade Silver Metallic, Torch Red and Corvette Racing Yellow.

2. STINGRAY BLADE SPOILER
Available for coupe and convertible. Shown in Torch Red.
P/N 22967767.
MSRP*: $495.
Also available in Carbon Flash Metallic, Arctic White, Black, Long Beach Red Metallic, Watkins Glen Gray Metallic, Admiral Blue Metallic, Blade Silver Metallic and Corvette Racing Yellow.

3. Z06 AND GRAND SPORT VISIBLE CARBON-FIBER SPOILER
Available for coupe and convertible.
P/N 84133913.
MSRP*: $2,400.

4. Z06-STYLE SPOILER WITH CLEAR BRIDGE (STINGRAY)
P/N 84165142.
MSRP*: $950.
Also available in Torch Red, Arctic White, Carbon Flash Metallic and Admiral Blue Metallic.

*Manufacturer’s Suggested Retail Price. Tax and installation extra.
ACCESSORIES

UNDERHOOD LINERS
1. GRAND SPORT LOGO ON A BLACK FIELD
   P/N 23321670.  MSRP*: $270.
2. CROSS-FLAGS LOGO ON A BLACK FIELD
   P/N 23489882.  MSRP*: $255.
3. STINGRAY LOGO ON A BLACK FIELD
   P/N 23489883.  MSRP*: $255.

AERO PANELS
4. STINGRAY FRONT AERO PANEL IN CARBON FLASH
   P/N 23508036.  MSRP*: $160.

SPLASH GUARDS
5. STINGRAY FRONT AND REAR MOLDED IN BLACK
   Front, P/N 22935635. Rear, P/N 22935639.  MSRP*: $75.

HOOD STRIPE
6. HOOD STINGER STRIPE PACKAGE
   Available in Carbon Flash for coupe and convertible.
   P/N 22989107.  MSRP*: $250.

HASH MARKS
7. GRAND SPORT FENDER HASH MARKS
   Shown in Carbon Flash.
   P/N 23507123.  MSRP*: $175.

ROOF PANELS
8. COUPE REMOVABLE ROOF PANEL (TRANSPARENT)
   P/N 23148691.  MSRP*: $2,100.
9. ROOF PANEL STOWAGE BAG IN BLACK WITH CORVETTE LOGO
   P/N 23321670.  MSRP*: $130.

*Manufacturer’s Suggested Retail Price. Tax and installation extra.
COVERS
1. CORVETTE C7.R RACING PREMIUM INDOOR DUST COVER
Fits all 14MY–18MY Corvette models. P/N 23481362.
MSRP*: $1,195.

2. FULLY RENDERED GRAND SPORT PREMIUM INDOOR DUST COVER
Fits all 17MY–18MY Grand Sport models. P/N 84025014.
MSRP*: $1,195.

3. STINGRAY LOGO PREMIUM INDOOR DUST COVER
Fits all 14MY–18MY Corvette models. P/N 23142883.
MSRP*: $400.

4. CROSSED-FLAGS LOGO PREMIUM INDOOR DUST COVER
Fits all 14MY–18MY Corvette models. Shown in Red. P/N 23142888.
MSRP*: $400.
Also available in Black, Kalahari and Gray.

5. STINGRAY LOGO OUTDOOR ALL-WEATHER COVER
Fits all 15MY–18MY Z06 models. Shown in Black. P/N 23187874.
MSRP*: $425.

6. Z06 PREMIUM INDOOR DUST COVER
Fits all 15MY–18MY Z06 models. Shown in Black. P/N 23187877.
MSRP*: $450.
Also available in Gray.

7. Z06 PREMIUM OUTDOOR ALL-WEATHER COVER
Fits all 15MY–18MY Z06 models. Shown in Red. P/N 23187876.
MSRP*: $450.
Also available in Gray.

*Manufacturer’s Suggested Retail Price. Tax and installation extra.
ACCESSORIES

FLOOR AND CARGO MATS
1. STINGRAY LOGO PREMIUM CARPETED FRONT FLOOR MATS
   Shown in Black with Adrenaline Red Stitching and Stingray Logo.
   P/N 23476287. MSRP*: $155.

2. STINGRAY LOGO PREMIUM CARPETED JET BLACK CARGO MAT
   Available for coupe and convertible.
   P/N 23469813 (coupe), 23262252 (convertible). MSRP*: $195.

3. GRAND SPORT LOGO PREMIUM CARPETED FRONT FLOOR MATS
   Shown in Gray with Gray Stitching and Grand Sport Logo.
   P/N 23384154. MSRP*: $155.

4. GRAND SPORT LOGO PREMIUM CARPETED JET BLACK CARGO MAT
   Available for coupe and convertible.
   P/N 23382978 (coupe), 23409866 (convertible). MSRP*: $195.

5. Z06 LOGO PREMIUM CARPETED FRONT FLOOR MATS
   Available in Black with Red Stitching and Z06 Logo.
   P/N 23476289. MSRP*: $195.

6. Z06 LOGO PREMIUM CARPETED JET BLACK CARGO MAT
   Available for coupe and convertible.
   P/N 23469812 (coupe), 23409865 (convertible). MSRP*: $195.

7. Z06 LOGO PREMIUM CARPETED FRONT FLOOR MATS
   Available in Black with Light Gray Stitching.
   P/N 23476290. MSRP*: $195.

EMBLEMS
7. STINGRAY CARBON FLASH
   P/N 23465587. MSRP*: $135.

SECURITY SHADES
8. STINGRAY UPPER AND LOWER SECURITY SHADE WITH CROSSED-FLAGS LOGO
   Fits 1LT models. In Black.
   P/N 22952948. MSRP*: $160.

REAR VEHICLE PROTECTION
9. REAR FASCIA AND SPOILER PROTECTOR
   P/N 23124544. MSRP*: $85.

PACKAGES
10. GRAND SPORT LOGO PACKAGE

UNCOVER THE POSSIBILITIES.

ACCESSORIES

STINGRAY FLOOR CONSOLE LIDS
1. LEATHER WITH STINGRAY LOGO
Fits all 14MY–18MY Stingray models. Shown in Kalahari. P/N 23296483; Gray, P/N 23296481; Adrenaline Red, P/N 23296484; and Jet Black, P/N 23296482.
MSRP*: $295.

STINGRAY LOGO (NOT SHOWN)
Fits all 14MY–18MY Stingray models. P/N 23296446.
MSRP*: $295.

Also available in Gray, Adrenaline Red, Kalahari and Jet Black.

2. LEATHER WITH STINGRAY LOGO
Fits all 14MY–18MY Stingray models. Shown in Kalahari. P/N 23296483; Gray, P/N 23296481; Adrenaline Red, P/N 23296484; and Jet Black, P/N 23296482.
MSRP*: $295.

STINGRAY LOGO (NOT SHOWN)
Fits all 14MY–18MY Stingray models. P/N 23296446.
MSRP*: $295.

Also available in Gray, Adrenaline Red, Kalahari and Jet Black.

GRAND SPORT FLOOR CONSOLE LIDS
1. LEATHER WITH GRAND SPORT LOGO
Fits all 17MY–18MY Grand Sport models. Shown in Black. P/N 84179897.
MSRP*: $295.

GRAND SPORT LOGO (NOT SHOWN)
Fits all 17MY–18MY Grand Sport models. P/N 84179902.
MSRP*: $295.

Also available in Gray, Adrenaline Red and Kalahari.

2. LEATHER WITH GRAND SPORT LOGO
Fits all 17MY–18MY Grand Sport models. Shown in Black. P/N 84179897.
MSRP*: $295.

GRAND SPORT LOGO (NOT SHOWN)
Fits all 17MY–18MY Grand Sport models. P/N 84179902.
MSRP*: $295.

Also available in Gray, Adrenaline Red and Kalahari.

Z06 FLOOR CONSOLE LIDS
1. LEATHER WITH Z06 LOGO
Fits all 15MY–18MY Z06 models. Shown in Black. P/N 23296454.
MSRP*: $295.

Z06 LOGO (NOT SHOWN)
Fits all 15MY–18MY Z06 models. P/N 23296464.
MSRP*: $295.

Also available in Jet Black, Kalahari, Adrenaline Red and Black with Red Stitching.

2. LEATHER WITH Z06 LOGO
Fits all 15MY–18MY Z06 models. Shown in Black. P/N 23296454.
MSRP*: $295.

Z06 LOGO (NOT SHOWN)
Fits all 15MY–18MY Z06 models. P/N 23296464.
MSRP*: $295.

Also available in Jet Black, Kalahari, Adrenaline Red and Black with Red Stitching.

*Manufacturer’s Suggested Retail Price. Tax and installation extra.
DOOR SILL PLATES

1. GRAND SPORT LOGO
   P/N 23279545.
   MSRP*: $225.

2. STINGRAY LOGO WITH CROSSED FLAGS
   P/N 23487387.
   MSRP*: $225.

*Manufacturer’s Suggested Retail Price. Tax and installation extra.

INTERIOR TRIM BADGES

3. CHROME WITH STINGRAY LOGO
   P/N 23138326.
   MSRP*: $95.

4. BLACK WITH JAKE LOGO
   P/N 23138327.
   MSRP*: $95.

BLACK WITH STINGRAY LOGO (NOT SHOWN)
MSRP*: $95.

LT1 PERFORMANCE LOGO (NOT SHOWN)
MSRP*: $95.

LUGGAGE

5. FIVE-PIECE LUGGAGE SET
   Includes Two Roller Suitcases, Backpack, Duffel Bag and Messenger Bag.
   P/N 22970472.
   MSRP*: $910.
Make sure you’re covered with all the little extras. Choose from a wide range of accessory options that can help you protect your Corvette.

1. LIGHTWEIGHT, POWERFUL BATTERY BOOSTERS/JUMP STARTER

Dead vehicle batteries are no longer a problem with these portable lithium-ion battery jump starter packs. They weigh as little as 2.3 pounds and can double as a portable power source for recharging USB devices, including smartphones and tablets.

P/N 19366934. MSRP*: $199.

2. 3M™ SCOTCHGARD™ PAINT PROTECTION FILM PRO SERIES

Fits 16MY-18MY Corvette Stingray and Z06 models. Includes film for hood, fenders, mirrors, front bumper, door edge guards and door cups.

P/N 19352798 (Stingray), 19352799 (Z06).

MSRP*: $499 (Stingray), $579 (Z06). Installation not included.

3. ADAM’S POLISHES® WASH AND WAX KIT

4. ADAM’S POLISHES® PERFECT INTERIOR KIT

Includes Glass Cleaner, Leather Conditioner, Interior Detailer, Carpet and Upholstery Cleaner, 2 Applicator Pads, 2 Premium Utility Towels, 1 Brass Tool and Adam’s Interior Detailing Swabs.

P/N 19355481. MSRP*: $89.

1 Non-GM warranty. Limited warranty by NOCO®, 3 years/36,000 miles. For more information, contact your dealer.

2 Non-GM warranty. 3M™ provides a 7-year manufacturer’s warranty. For details on the warranty provided by 3M™ please contact your dealer.

3 Non-GM warranty. Adam’s Polishes® provides a 3-year/unlimited mileage manufacturer’s warranty. For details on the warranty provided by Adam’s Polishes®, please contact your dealer.
Corvette has been designed and engineered for the track, tested and re-tested so that its driving characteristics and performance maintain legendary status. We know just what it needs — and just what you want — to amplify its braking, cornering and even its high-powered looks.

Our lineup of Chevrolet Performance Parts is tuned just right and engineered to meet the high standards of your Corvette. Visit chevy.com/performance for more details.

The parts listed in this catalog are intended primarily for use in racing, track applications or "off-road” vehicles only — they are not intended for use on public roads. U.S. federal and Canadian law prohibit an automobile manufacturer or dealer from removing, modifying or rendering inoperative any part installed on a motor vehicle in compliance with an applicable Federal Motor Vehicle Safety Standard or any part of federally required emission control systems on a motor vehicle sold and used on public roads. Further, many states and provinces have enacted laws and regulations that prohibit the use of such parts on public roads. These laws and regulations may vary by state and province.

Many parts included for racing, track applications or "off-road” use are not designed or tested for crashworthiness or to meet the safety needs of the motoring public, and may adversely affect the original intended performance or handling characteristics of the vehicle. These parts are designed and intended to be used with experts supervising their installation and use, to help assure the proper and safe operation of the vehicle.

Unless specifically noted to the contrary, vehicle equipment with Chevrolet Performance Parts may not meet Federal Motor Vehicle Safety Standards or emission regulations and should not be operated on public roads. Chevrolet Performance customers are responsible for ensuring their use of Chevrolet Performance Parts complies with applicable federal, state and local laws and regulations. These components are intended for installation and operation in "off-road” use only. They may not meet the SAE J 949 collisionworthiness requirements set forth under the federal motor vehicle safety standards. The use of Chevrolet Performance Parts may also affect the warranty coverage of vehicles equipped with Original Equipment Manufacturer (OEM) parts. It is possible that certain Chevrolet Performance parts may not meet the durability requirements that Chevrolet validates for its street legal, production vehicle components. The use of any "off-road” or "racing" equipment can also affect warranty coverage. Any "off-road” or "racing” modifications are not covered under the New Vehicle Limited Warranty. In some cases, use of certain Chevrolet Performance parts may result in the failure of other components or systems, which would not be covered under the New Vehicle Limited Warranty. Further, some states and provinces prohibit the installation of "off-road” equipment on public roads. In Canada and the U.S., information about specific restrictions and limitations can be obtained from a qualified Independent Service Center.
PERFORMANCE PARTS

STINGRAY T1 SUSPENSION
This suspension package was developed to help improve the on-track handling capabilities of Stingray, including Z51-equipped models. It features increased front suspension geometry and a new stabilizer bar, lower control arms with stiffer handling bushings and track-optimized passive shocks. Roll stiffness has been increased (40% front and 20% rear)
P/N 23336064  MSRP*: $3,250.

RUN UP THE NUMBERS.

STINGRAY PERFORMANCE FRONT BRAKE DUCTS KIT
This available Front Brake Duct cooling kit for base Corvette models includes brake ducts and deflectors that transport air from the front grille through the wheel wells to help cool the front brakes and expel heat. This can help increase airflow by 16% to increase stopping performance by reducing temperature and brake fade.
P/N 84150313  MSRP*: $275.

STINGRAY SECONDARY RADIATOR
This radiator adds additional cooling capability to manual transmission Corvette vehicles that see regular track use. This kit includes the lines and hardware necessary to mount and plumb this additional radiator to the front of any manual transmission-equipped Stingray. With the addition of this kit to a Z51 manual transmission Corvette, the radiator fluid temperatures are lowered up to 25°F, along with engine oil temperature reductions up to 15°F.
P/N 84201727  MSRP*: $895.

UP TO 40% MORE ROLL STIFFNESS

UP TO AN AVERAGE OF 57% MORE BRAKE TORQUE

STINGRAY Z51 BRAKE KIT
Upgrade the brakes on your 2014+ Stingray to the greater capability of the Z51 package. It features stainless steel rotors with diameters measuring 345 mm in front and 338 mm in the rear. The kit increases the brake torque up to 57% on average. This kit also includes high-performance pads, which provide greater resistance to brake fade at track-condition rotor temperatures over 500°C. Requires spacers. Please note: The mass dampers were removed from the stock Z51 pads in order to fit in the base Stingray wheel. Mass dampers are used to tune the brake noise, and therefore, this kit is not warranted for noise performance for off-road use only.
P/N 23386143  MSRP*: $2,495.

STINGRAY Z51 BRAKE KIT
This available Front Brake Duct cooling kit for base Corvette models includes brake ducts and deflectors that transport air from the front grille through the wheel wells to help cool the front brakes and expel heat. MSRP*: Manufacturer’s Suggested Retail Price. Tax and installation extra.
Z06 SPEC 6-PISTON BRAKE UPGRADE SYSTEM

The Z06 standard Brake Upgrade Kit for Z51 vehicles features four-piece iron-slotted rotors measuring 370 mm x 34 mm in the front and 365 mm x 26 mm in the rear, with aluminum mono-block 6-piston and 4-piston fixed calipers, respectively. These calipers feature vented pistons to improve pad and brake fluid cooling, including pads 39% larger than those found on the stock Z51 vehicle. These calipers offer differentiated piston diameters of 30, 34, and 38 mm (leading to trailing) for even pedal pressure for improved overall performance.

Please note: These brakes will not fit under stock base or Z51 wheels. Requires a minimum 4 mm wheel clearance between the outboard face of the caliper and the inner wheel spoke. This application is for off-road use only and is not recommended for use on the road.

Front, P/N 23386144. MSRP*: $2,700.
Rear, P/N 23386145. MSRP*: $2,195.

Z06 SPEC 600-WATT RADIATOR FAN

Developed to meet the Z06’s track cooling requirements, this powerful cooling fan increases the fan speed over Stingray’s 500-watt system for greater airflow and enhanced cooling capability. It is a direct replacement for the Stingray cooling fan.

P/N 23370303. MSRP*: $325.

Z06 SPEC QUARTER PANEL VENTS

Substantial airflow is critical for maintaining cooling performance on the track. The Z06 quarter vents offer larger openings for increased airflow to the transmission oil cooler and differential cooler — an approximately 25% improvement over the airflow of the Z51 at track speeds.

P/N 23373152. MSRP*: $195.

PERFORMANCE PARTS

ATTACK THE TRACK.

Stingray owners can take advantage of numerous Z06 parts designed to intensify handling, enhance braking and maximize cooling where you need it most — on the track.

39% LARGER

Z06 SPEC 6-PISTON BRAKE UPGRADE SYSTEM

UP TO 25% IMPROVEMENT IN AIRFLOW

UP TO 17% LIGHTER

*Manufacturer’s suggested Retail Price. Tax and installation extra.
TAKE IT TO THE NEXT LEVEL.

LEVEL 2: Z06 PERFORMANCE AERO ELEMENTS (NOT SHOWN)

Z06 owners can upgrade standard Z06 models (Level 1) and achieve Level 2 aerodynamics by adding the following performance elements:

- **CARBON-FIBER GROUND EFFECTS**
  P/N 84139800.
  MSRP*: $4,000.

- **Z06-STYLE CARBON FLASH SPOILER**
  P/N 84127954.
  MSRP*: $2,000.

LEVEL 3: Z06 PERFORMANCE AERO KIT

Add a new dimension of downforce to your Corvette Z06. This Level 3 Aero Package is an upgrade for Level 2-equipped Corvette Z06 models and adds elements from the Z07 Performance Package, including larger end plates to the front splitter and an adjustable, transparent wickerbill on the rear spoiler for track use. This package delivers the most downforce of any production car that GM has ever tested. Fits all 15MY+ Corvette Z06 models.

- **P/N 84056038.**
  MSRP*: $595.

*Manufacturer’s Suggested Retail Price. Tax and installation extra.

Z06 100-OCTANE CALIBRATION

This calibration is optimized for track use with 100 octane fuel. The calibration changes to help improve performance with higher octane fuel have not affected emissions and this calibration is 50-State emissions legal with CARB Executive Order D-126-41. This model of engine with lower octane fuel, 87 octane regular or less, should be run in mode 3. The Z0P engine peak on proper timing which may result in reduced engine performance. We recommend using 100 octane fuel with this calibration for maximum peak engine performance.

For 15MY-16MY Corvette Z06 models.

- **P/N 12677967.**

Z07 PERFORMANCE PACKAGE ROUGH SURFACE TRACK SUSPENSION CALIBRATION

Chevrolet Performance has developed a rough-racing-surface suspension calibration for owners of the Z06 with the Z07 Performance Package, featuring Magnetic Selective Ride Control™. Dealers can “flash” this calibration into the vehicle’s software if it frequently visits a very rough track or will be driving on a track with this type of surface. The calibration update only optimizes the driver-selectable “Track Mode” for rough track surfaces. The remaining driver modes (Weather, Eco, Tour and Sport) remain unchanged.

For 15MY-16MY Corvette Z06 models.

- **P/N 23396302 (15MY), 23396303 (16MY).**

With Corvette Z06, it’s all about downforce. If you’re seeking additional aerodynamic elements on your standard Z06, Chevrolet Performance offers parts that can take things to the next level.

Mini Corvette Z06. It’s all about downforce. If you’re looking for additional aerodynamic elements on your standard Z06, Chevrolet Performance offers parts that can take things to the next level.
1. LT1 CRATE ENGINE
The LT1 6.2L opened the next chapter in the long, historic legacy of the Small-Block engine. It’s architecturally similar to the LS family of engines, but with a unique block casting, cylinder head design, oiling system and more. It also combines advanced technologies including direct injection, Active Fuel Management (cylinder deactivation) and continuously variable valve timing to support an advanced combustion system. The LT1 6.2L crate engine is rated at 460 horsepower and 465 lb.-ft. of torque and it is offered with a wet sump or dry sump oiling system. A controller specially designed for retro-fit application using an automatic transmission is available. Wet Sump (460 horsepower), P/N 19355405. MSRP*: $11,644. Dry Sump (460 horsepower), P/N 19355450. MSRP*: $11,644.

2. LT4 ENGINE
The supercharged LT4 6.2L SC is the most powerful engine ever offered in a regular production Chevrolet. It features a more-efficient, more-compact Eaton TVS supercharger which spins at up to 20,000 rpm. That’s enough to generate more than 9 pounds of boost and help produce 650 horsepower and 650 lb.-ft. of torque. The LT4 is based on the same Gen V Small-Block architecture as the LT1 engine, with several unique features designed to support its higher output and the greater cylinder pressures created by forced induction. They include Rotocast A356T6 aluminum cylinder heads that are stronger and handle heat better than conventional castings, lightweight aluminum intake valves and stronger forged aluminum pistons. Wet Sump (650 horsepower), P/N 19368622. MSRP*: $16,172. Dry Sump (650 horsepower), P/N 19332702. MSRP*: $16,819.

Chevrolet Performance offers a wide range of factory-engineered crate engines. Each is designed, validated and built with the same quality and performance standards that go into GM production engines.

*Manufacturer’s Suggested Retail Price. Tax and installation extra.

Chevrolet Performance control kits do not utilize the AFM components on this crate engine.
